Back row (left to right) Ralph Vert, James Smelser, Dorothy Brand, Kathryn Hinman, Jessie Alexander, Clara Pagel. Front row (left to right) Dorothy Kerr, Mrs. Mabel Lachmann, Donna Plumpkin.

Local AAUW Donates Cash To Library

The Farmington Branch, American Association of University Women, has received the 1965-66 report of the Fellowship Chairman, Mrs. Robert E. Slinnack. The total amount from the sale of used books at the 13th Annual Booksale, held last autumn, was \$1,383.48. For the last five years, the Branch has donated 10 per cent of the total amount to the Farmington Public Library, which, under the leadership of Librarian Mildred Droegge, cooperates in collecting books for the sale all through the preceding year. The library is also given first choice of these incoming books, which helps to add needed books to its shelves. This year the check presented to the Library by the Branch was for \$138.34.

To the AAUW Educational Fellowships Fund, 1965-66, the Branch has donated a total of \$1,245.12, which includes to \$500 named gifts: one in honor of Mary Deland, the other in honor of Ethel Bamber Gibson. In addition, \$245.12 was given as undesignated funds.

SINCE THE OFFICIAL (not current) membership for the Branch this year is 112, the per capita amount contributed to the Fellowships Program is \$11.11. This places the Farmington Branch at the head of the list of 63 Michigan AAUW Branches in per capita amount contributed.

The Farmington Branch AAUW would like to thank the community for its fine support of the booksale. Books are now being collected for next autumn. They may be left at the Library or pickup can be arranged by calling Mrs. David Miller, 474-2775. Chairman of the sale is Mrs. Richard Frankel, with Mrs. David Skinner as co-chairman.

K. Draskovich Wins Degree in Science

Kathleen Draskovich, daughter of Mr. and Mrs. John Draskovich, 22883 Colchester, will receive the degree of bachelor of science with a major in elementary education from Evangel College in Springfield, Mo. She is a graduate of Mumford high school in Detroit. As a student at Evangel, she was a cheerleader and secretary of her senior class.

Farewell Dinner Program Honors School Retirees

The annual dinner and program honoring those persons retiring from service with the Farmington Public Schools took place Thursday evening May 26, at the O. E. Dunkel Junior High School.

Presiding over the meeting was Farmington Education Association president, Marvel Eberly, who presented honorary memberships in the Michigan Education Association, and the FEA. Mrs. Eberly also presented the retirees with commemorative plaques.

The invocation was given by Frank Delewsky, principal at the Planders Elementary School. Leland Clifford, president of the Board of Education, gave the retiree recognition, and service pins and honor awards were given by Superintendent G. V. Harrison, and principal of the Beechview Elementary School, Kenneth Lachmann.

Hazel Breshear, past president of the FEA, installed the 1966-67 FEA officers. Newly-elected FEA president, Gene Syverson, presented a past president's pin to Marvel Eberly. Mrs. Eberly presented service awards to members of the FEA executive board.

The Melodiers, a vocal group from O. E. Dunkel Junior High School under the direction of Eddy Ellegood, sang several numbers. Speaker for the meeting was Dr. Leonard W. Moss, chairman of the department of sociology and anthropology at Wayne State University.

Girl Scout News

BEA SCAGLIONE

Have you ever seen the largest privately operated switchboard in the United States? Gone through a whole building full of nothing but luxurious furs? Been in the Presidential Suite at the Sheraton-Cadillac? Neither have I, and I wish I could have been with Cadette Troop 123 from Dunkel Junior High when they "did" Detroit.

The Cadettes and their leader, Mrs. Gerald Nuzzoff, and Mrs. F. Hal McDavid began their tour with an overnight stay at the downtown YWCA on April 29, which included swimming that evening. Next morning, after a hearty breakfast, they parked their cars near Hudson's and started off their walking tour with a guided expedition through Hudson's fur storage. While there they observed in operation the mammoth switchboard—the only one larger is at the Pentagon in Washington, D.C.

Next came a tour through the beautiful Sheraton-Cadillac Hotel where they were shown the ballrooms, one of their five kitchens, and the Presidential Suite. The Grande Finale of their trip was a luncheon-remember at the "Top of the Flame."

The complete trip was financed from their Christmas project, cookie and calendar sales and dues, and required extensive advance planning. It was planned as a substitute for the camping trip the girls were forced to forego because they could not find a First-Aider or Camperfrater to accompany them, as required by their health and safety regulations.

Katherine Mc Broom Helps Campus Record

Katherine McBroom, 23229 Fleming, was among 2,195 students, faculty and staff members of the University of Wisconsin at Madison who gave a pint of blood during the spring all-campus blood donation on the university's Madison campus.

By their large donation the University in Madison set a new record and continues to hold the blood donation championship of the state of Wisconsin.

Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk and can't make out the words clearly, then this will be your answer. An extremely small hearing aid using a tiny coiled unit, has been perfected by a man who himself is hard of hearing and has been for over 10 years. With his new aid, even whispers are crystal clear. If interested it is suggested you write HEARING, 32 E. 9th St., Erie, Pa. You will receive full information at no cost or obligation whatsoever.—Adv.
