Mr. and Mrs. Walter Kreuter and their son Stephen, of 22769 Lilac returned recently from a two week vacation spent at Arbutus Lake, Michigan. They intended fishing, but when they tried water skiing, and the swimming, which they all enjoyed very much, the fishing time was limited. The weather was quite warm, and the water was enjoyable.

They also visited some friends at Glenn Lake where they spent three days of their time. They toured the Traverse City Coast Guard station, where they were shown the flying boats and the other life saving equipment. They also saw a new site being constructed at Northport, where there will be five hundred camps. In their water skiing tries, Stephen tried his skis behind a jet boat with a 135 horsepower engine. They agreed it was an enjoyable two weeks.

Mr. and Mrs. Robert Schurkamp of 23193 Violet, and their family spent a two week vacation at Niagara Falls.
