

Prepares For Autumn Spectacular

Members of the Hill and Dale Garden Club will try to prove to everyone that Farmington is fabulous, fascinating, fun when they present their upcoming spectacular flower show on October 8 and 9. Using the theme "Focus on Farmington," it will honor many local groups and will be inspired by Farmington's colorful past as well as its great future potential. The show promises to be the most colorful in the Club's history and the Club is composed of gals who think "big."

The show will be held at Our Lady of Sorrows Church in Farmington and will be open to the public from 2 to 8 p.m., October 8, and from 2 to 5 p.m., October 9. There will be many classes in the horticultural section that the public is warmly invited to enter as long as their plants or specimens are at the church by 10 a.m. on October 8.

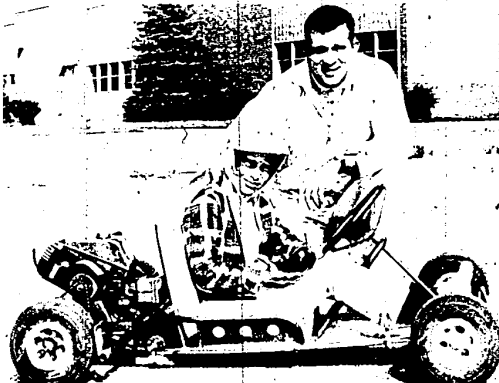

It's a well known fact that it's always more satisfying and fun to be a participant and a joiner than it is to be an onlooker so Farmingtonites can bring out those plants they are especially fond of and proud of, groom them the very best they know how, take them in and show them off. Someone will win a blue ribbon!

Three From Area At Alma, College

Among the 332 members of Alma College's class of 1970 who arrived on the campus Sunday, Sept. 18, to begin their collegiate careers were Mark Foster, 22314 Violet, Richard Lorenz, 25028 Quakerstown, and Lynn Watzke, 24131 St. Marys Ct.

Freshmen will participate in a three-day orientation session prior to registration on Wednesday, Sept. 21. The first classes of Alma's second year under a three-term academic program are scheduled for Thursday, Sept. 22.

Under the Alma academic plan most students study only three courses rather than the customary four or five during each of three eleven-week terms.

KIP WORTMAN, 9 years old, makes use of the vacant parking lot at Farmington Senior High on Saturdays for spinning around in his go-kart. His parents, Mr. and Mrs. Jim Wortman of 22849 Tredwell do not allow him to drive it on the streets.

Kip is equipped with a safety helmet and every possible safeguard is taken to make go-karting a safe and enjoyable family sport. Even Kip's mother, Shirley, takes an occasional spin.
