Proceedings read of Planning Commission meeting held on September 12, 1966.

Motion by Allen seconded by Peterson to receive and file the minutes of the Planning Commission meeting, September 12, 1966. Motion carried, all ayes.

**Library Board Minutes, July 11, 1966**

Library Board Minutes, July 11, 1966 placed on file.

**LETTERS FROM FARMINGTON**

A. Letter from F.A.T.A.C. dated by Peterson seconded by Allen that the minutes of regular meeting of the City Council for allowing them to hold F.A.T.A.C. dances on Wednesday evenings at the tennis court in the City Park. They state that their dances were successful with an attendance of approximately 500 teenagers. Also F.A.T.A.C. has been introduced to many people.

B. Letter from Farmington Town Club requesting permission to use Tennis Courts in City Park.

Letter read from Farmington Town Club requesting permission to have an evening bonfire in the tennis court area to have an area at the 15th or in case of rain, October 22, 1966.

Motion by Peterson seconded by Allen to grant permission to the Farmington Town Club to hold a Weiner Roast and to have an evening bonfire in the tennis court area at the 15th or in case of rain, October 22, 1966. Motion carried, all ayes.

C. Letter from Farmington Jaycees RE: Proclamation "Shop Farmington Community Month."

Letter read from Farmington Jaycees stating that there is a general lack of knowledge of the advantages of shopping in the Farmington community. They state that throughout the community there is a wide range of goods and services being offered by these establishments that are sometimes not as well known or publicized as shopping centers in our neighboring communities.

The Board of Director and the general membership of the Jaycees have initiated the active interest in proclaiming the month of October "Shop Farmington Community Month" in order to promote patronization of the Farmington area businesses by their own residents. Other agencies showing interest in this project are the Farmington Board of Commerce and the Farmington Enterprise. They state that they are planning an active campaign emphasizing the idea of thinking twice before shopping in other areas. They state that they would greatly appreciate City Council support in proclaiming October "Shop Farmington Community Month."

Mr. Thomas Davis, Jaycees publicity chairman, stated that the Farmington Township Board and received the same letter and were favorable to the suggestion of a joint proclamation.

He stated that news articles will be published beginning September 28, 1966 regarding the advantages of shopping in Farmington and their slogan will be "Think Twice, Shop Farmington Community."

Motion by Peterson seconded by Allen that the City and Township of Farmington proclaim October as "Shop Farmington Community Month." Motion carried, all ayes.

D. P. Letter from J. M. Louvel, Senator-Major, Caen, France RE: Student Exchange.

Letter read and placed on file from J. M. Louvel, Senator-Major, Caen, France as follows:

Mister Mayor and Dear Colleagues:

I have been very sensible to your kind letter, you have forwarded to me through the intermediary of your fellow countrymen, which have rendered us a visit, here in Caen. It was a great pleasure that we have welcomed them at our town hall, and we hope that they will keep a good souvenir from their passage

in France and from our city. Like you, we consider, if we favor the exchange of students, we are working on a better understanding between countries and people, and also working on the maintenance of the property of the world.

Our two great countries, we are working on a better understanding between countries and people, and also working on the maintenance of the property of the world.

Our two great countries, we are working on a better understanding between countries and people, and also working on the maintenance of the property of the world.

We will be very glad to welcome your fellow countrymen and will you please, Mister Mayor and your colleagues, accept our assurance of our friendship and our wishes for the prosperity of your city.

**REPORTS FROM CITY MANAGER**

A. Report Curbing Improvements Magic Square for Skating Rink.

City Manager Dinan reported that the Planning Commission had recommended that the temporary rink at the Magic Square at Cloverdale and the tennis court area be removed and that further improvements be made to the Magic Square so that they have more opportunity for skating facilities. This would include curbing and temporary lighting at the Magic Square so that they have more opportunity for skating facilities. This would include curbing and temporary lighting at the Magic Square so that they have more opportunity for skating facilities.

B. Report on Pedestrian Signage.

City Manager Dinan reported that the Director of Public Safety has done some research on the Uniform Traffic Code for the City and has found that pedestrian controls are covered under Chapter 7, Section 7.5, Crossing Roadway at Right Angles, Section 7.6, When Pedestrian Shall Yield, Section 7.8, Prohibited Crossings, Section 7.10, Business Districts.

The City does have the necessary complaint to answer the complaint made by Councilman Allen at the last meeting regarding people crossing in the middle of the block. This is not only hazardous to the pedestrian but also has a tendency to slow traffic.

He stated that the City of Farmington does not have a large business district such as Birmingham and other communities, but perhaps an additional crosswalk could be installed on Grand River between Warner and Farmington Road in an effort to channel pedestrian traffic at a central location to give them more protection than they have at the present time. If the Department were to enforce all the citations, they could constantly happen with people parking on one side of the

street and crossing Grand River to shop at a certain store, they would probably write 500 tickets daily. Therefore, the Department has used the utmost discretion in enforcing this type of ordinance.

City Manager Dinan recommended that the City Council consider pedestrian marked crossing in the central business district to aid in the channeling of pedestrian crossing Grand River.

He stated that he assumes that a crosswalk could be installed at the intersection of state St. and Farmington Road which enters the major shopping district between Farmington Rd. and Orchard St. It was suggested that signs be placed at the intersection designating pedestrian crosswalk ahead.

Councilman Allen suggested that the Public Safety Department include the pedestrian crossing violations in their safety program at the schools.

Motion by Allen seconded by Yoder that a pedestrian crossing crosswalk be installed in the central business district on Grand River between Warner and Farmington Road for payment of State Street and Farmington Road. Motion carried, all ayes.

**MISCELLANEOUS**

A. Audit Report August, 1966.

Audit report August, 1966 placed on file.

Mayor Brotherton commented on the audit of cash on deposit at National Bank due to heavy tax collections.

City Manager Dinan stated that about \$100,000 is invested in certificates of deposit at 5 1/2 per cent until after the first of the year.

B. Complaint of Mr. Earl Laverly RE: Garbage and rubbish conditions at 30723 Grand River.

Mr. Earl Laverly, 30760 Grand River, requested that the City investigate garbage and rubbish conditions at 30723 Grand River which is a dangerous health hazard.

City Manager Dinan stated that the City Health Officer would investigate and correct this problem.

**Mercury unleashes Cougar!**

Untamed elegance! America's first luxury sports car at a popular price.

This is the day of the Cougar. An entirely new kind of driving machine from Mercury.

Mercury Cougar is a true luxury car. With a European flair and thrust to its styling. With a roomy, full-width rear seat. With standard features found, until now, only in expensive cars. Examples:

Sequential turn turn signals are standard! They flash in three steps (at the rate of 2 1/2 times a minute) to point the way you're turning.

Concealed headlamps are standard! They hide by day and, at night, open at night. Inside, vinyl-covered bucket seats, cushioned and molded.

Wall-to-wall deep-loop carpeting, standard! 12-spoke steering wheel, standard!

And in a car this luxurious, you'd expect a V-8 engine. Cougar has it. A 289 cu. in. V-8. Compression spec'd. At preview, people stuck at "Mr. and Mrs. ratio, 9.3:1. And it uses have oversteered by \$1,000!

Two believe Cougar is the car that lets a man run through the gears. . . lets his wife leave it in automatic. Also a 4-speed Marauder 190 GT V-8. Vinyl-covered Oxford Roof. Sports Console.

Also, a 4-speed steering wheel. Power disc-brake system. A 60-cup tip speed control mounted on the turn signal lever. But first, see Mercury Cougar. Untamed, elegance. At your Mercury, Man's-guy Mercury dealer!
