When a woman suffering from some form of feminine disorder is told that an operation is necessary, it of course

disorder is told that an operation is necessary. It of course frightens her, i The very thought of the hospital operating table and the surgeon's knile strikes terror to her heart, and no wonder. It is quite true that some of these troubles may reach a stage where an operation is the only resource, but thousands of women have avoided the necessity of an operation by taking Lydia E. Pinkham's Vegetable Compound. This fact is attested by the grateful letters they write to us after their back has here restord. health has been restored.
