Manasco-Kingery Rites Read in Jackson Church

First Congregational Church, Jackson, was the setting December 29 for the evening double ring ceremony uniting in marriage Mikal Jane Kingery and Eugene Lloyd Manasco, son of Mr. and Mrs. C. M. Manasco, of 34057 Banbury. Parents of the bride are Mr. and Mrs. Harold P. Graves, of Jackson.

The couple repeated their vows by candlelight before the Rev. Perry James, Jr. Given in marriage by her father, the bride was dressed in a floor-length empire gown of ivory faille taffeta with a shallow scooped neckline and trumpet sleeves edged in re-embroidered chantilly lace. The raised waistline was accented with matching lace and the skirt was A-line with a gathered bustle back and detachable chapel-length train.

The bride's matching mantilla of ivory silk illusion was edged in chantilly and she carried a bouquet of white gardenias.

CARE Gets \$12.2 Million For Year

Public contributions to CARE in fiscal 1966 reached \$12.2 million, or \$1 million more than the previous year, according to the 20th annual report of the non-profit overseas aid agency.

Printed in the shape of a CARE package, the report shows that these donations by the people of the United States and Canada were multiplied into nearly \$93 million in food, self-help and medical aid.

They were delivered to needy peoples in 40 countries of Africa, Asia, Europe, Latin America and the Middle East. The total includes U.S. Food for Peace donations and host government support toward internal expenses.

Leslie Guthrie Mark Anniversary At Bonnie Brook

Mr. and Mrs. Leslie Guthrie of Westmoreland Drive, were the guests of honor at a dinner on December 27 to celebrate their 25th wedding anniversary.

The Bonnie Brook Country Club was the setting for the occasion which was attended by relatives and close friends. One of the couple's former pastors and long time friend, the Rev. Edwin A. Dubois now of Grand Rapids, officiated as Master of Ceremonies, entertaining the guests with many humorous incidents that happened throughout the years.

Mary and Bob Osterlund rendered several selections in song, accompanied by Allene Tunell on the piano. A serious note was added when Mr. Dubois pointed out the importance of Christ in the home as a bulwark against the trials and storms that can come.

The evening was brought to a close with the opening of gifts and offering of congratulations to the honored couple.

Quack Diets Won't Make You Young

Want to feel like 16 at 60? Think that special foods and food supplements will do it? Think again!

The promotion of special foods and food supplements is the most widespread and costly quackery today, warns Anita Dean, Extension nutrition specialist at Michigan State University.

Beware of "self-styled" nutritionists, occasional best sellers, and overzealous salesmen who imply nervousness, fatigue, and vague aches and pains result because our food supply is critically lacking in nutrients. They claim this is due to depleted soil and over-processing.

The facts show many more causes for fatigue and aches.

and pains than a lack of vitamins or minerals. Research also shows that crops grown on depleted soil are as nutritious as those grown elsewhere — only the total yield is much less.

Mrs. Dean notes that while food processing may reduce the amounts of vitamins and minerals in foods, exact amounts are replaced by the processor.

If you're able to eat well-chosen everyday meals you don't need supplemental vitamins and minerals. If you're on a special diet, leave the prescribing of food concentrates and capsules to your physician, the nutritionist recommends.
