Consumers Power Company will invest \$3 million in the western Wayne County area as part of its 1967 program to expand and improve electric and natural gas service, James P. Thomas, West Wayne division manager said.

The division, headquartered in Livonia, expects to add 3,700 new gas customers in 1967. Plans include the construction of an addition to the Livonia service center, Thomas said.

The division serves 67,000 customers in an area encompassing 260 square miles of western Wayne county, including the communities of Farmington, Livonia, Wayne, Northville, Novi and Plymouth.

The projects in the division will be the continued expansion of the gas distribution system, with the installation of over 61 miles of new gas pipelines.

Until last week Virginia Murray had to wait for an invitation before she could watch color TV.

Then she opened a Ready Money Account.

If something does come up and you write a Ready Money check, you pay the amount back in small budget-size monthly installments. Ready Money is less expensive than many other forms of credit. And as you repay the amount you've spent, your account builds up again, so you can use it over and over. The checks, by the way, are free. And they're good anywhere.

Maybe you already have color TV. But, like we said, you can use Ready Money any way you want. And it's nice to know you have it, just in case.

MAIL TO: **BANK OF THE COMMONWEALTH**
Department RM, P.O. Box 119, Detroit, Michigan 48231.

Please send me details of your new Ready Money plan and your new simplified Zip Application*. I'll fill out the application and return it to you promptly.
