A MOTHER'S ROLE

Keeping the family happy takes a lot of time, but that's part of Mother's job. That's also why she needs a well-planned, well-equipped home that saves her time, energy and steps.

Fortunately, the "Gas Comfort-Conditioned Home" with its efficient, dependable, fully-automatic gas appliances, makes building a happy family life a much easier job for Mother.

She can turn out a meal quickly and with little supervision. She can save time by coordinating clothes washing and drying with her daily chores. Hot water is always available. She can dispose of trash and garbage, indoors, and fingertip climate control keeps her house comfortably warm all winter and refreshingly cool all summer.

Consumers Power

Protection...

Is a wonderful thing, particularly where it is needed. Practical people do not hesitate to plan ahead for the sensible advantages it can bring.

To make inquiry before being compelled to do so, eliminates the strain of last minute decisions.
