

# We'll help put your wife in a home

If your wife has been talking about a new home lately, maybe you'll want to know something about a mortgage. There's a lot more to it than the amount of money you borrow. Where the money comes from is just as important. And so are the things written into your mortgage.

At NBD, for example, we have the people and facilities to give you personal attention when you apply. And because we're a full-service

bank, we can keep on helping you with our range of financial services long after you move in.

Our 90 offices make NBD the most convenient place in town to apply for a mortgage. There's no application fee. Closings take only thirty to forty-five minutes and are often made at the same office. This saves you a special trip downtown. And closing costs are usually less than a hundred dollars, excluding insurance.

When we write your mortgage, we spell out exactly what rate you'll be paying, what you're paying for, and what you don't have to pay for. And we'll write in pre-payment privileges that can save you hundreds of dollars if you sell your home.

Maybe you're thinking about a mortgage loan right now. If you are, be sure to think about this: we can help you.

To complete their preparation for the social dependability badge and to get them ready for their challenge, all 30 girls of Troop 123, Cadettes from Dunckel Junior High, Mrs. Rosalie Hebel and Mrs. Shirley Fry co-leaders, spent the weekend in downtown Detroit.

They checked in at the Tuller Hotel on Friday and spent the evening skating and swimming at the Downtown YWCA. After breakfast on Saturday morning the girls went to the Japanese Flower Show at Hudson's. Mrs. Eugene May, father of one of the scouts was kind enough to arrange a tour of the J. L. Hudson Company computer systems and also the switchboards (the largest privately owned switchboards in the country).

Following this the girls had lunch at the Top Of The Flame, then checked out of the hotel and went to the Detroit Institute of Arts to view the Peale Collection. They then went wearily home after a most rewarding trip.

In the not-so-distant future, the scouts are planning a father and daughter canoe trip on the Au Sable River which should really be exciting.

On Saturday, April 8, the girls of the Cadette patrol of Troop 913, which meets at Orchard Hills School, Mrs. Joanne Adams and Mrs. Beverly Dietrich co-leaders, did a rather unique service project. The Goodfellows of Novi had a benefit dinner that evening and the girls helped with the serving. The results of the dinner were encouraging and I am sure that the girls will remember their part in it along about Christmas time this year.

After the hike the girls who made it will be given credentials and medals but will be expected to write a 200-word essay telling what they thought of the hike and the trail and to accompany this with a sketch map. They must be in complete uniform or in camp uniform and must stay that way all the time they are on the trail. Not an easy assignment but I can just imagine that the girls will be having a ball.

They will have to be at the starting point early as the rules state that they must leave before 11 a.m. in the morning. The troop will be spending the night at Proud Lake Recreation area. There is a canoe rental along the trail and sometime in the future the girls may decide to make the trip again but by canoe. Sounds like a lot of fun.

All Scouts, leaders and interested parties: Have you anything planned for April 22 and 23? If not, why don't you plan to be part of the active group and go to the Northville State Home Art Show.

This art show will be held at the Presbyterian Church at 11 Mile and Farmington Roads and will be sponsored by the combined Cadette Troops 804 and 317. Other Cadettes in the district will be supplying the refreshments and helping out wherever they are needed. Mrs. Shirley Ford of the Farmington area is the teacher who has spent so much of her time helping the patients at the hospital, and their lovely paintings are part of the therapy program at Northville. So please come out and make this show a huge success.
