Beauty and Simplicity...

Often lend grace to each other. In the handling of floral tributes this is especially true.

The Heeney-Sundquist Funeral Home has high regard for the beauty that careful arrangement of flowers can add to the service. We know well the feeling that is conveyed to the family by our extra care.

Naiff Kelel Promoted To Colonel

Naiff H. Kelel, 31560 Rockycrest, president of Greenfield Rambler, Inc., in civilian life has been promoted to colonel in the U.S. Army Reserve.

Col. Kelel has served in the U.S. Army on active duty and in the Reserve continuously since 1943.

He served as the chief of staff for 24 years and upon promotion has assumed the position of deputy commander of the 300th Military Police Prisoner of War Command, 34451 Schoolcraft Road, Livonia.

NAIFF H. KELEL

The 300th Military Police Prisoner of War Command is a unique organization in that it is the only unit of its kind in the world active or reserve. It was formed in 1959 following experience in Korea. When mobilized the unit would form the nucleus of up to 10 prisoners of war camps with some 13,000 military police capable of handling the confinement of 120,000 prisoners of war.

Col. Kelel served in the Asiatic-Pacific theater during World War II. He enlisted in the Air Corps in 1943, and transferred to the Infantry in 1944.

Col. Kelel's wife served as a lieutenant in the Army Nurse Corps. The couple have three children, Kathie 19, a student at Eastern Michigan University, and James P., 16 and Robert R., 12, who attend Our Lady of Sorrows School.

A BILLION QUARTS

Michigan milk drinkers consume more than one billion quarts a year. Milk is Michigan's largest farm crop, worth more than \$200 million a year to dairy farmers.

Umpires' Classes Saturday

Two Junior Baseball Instructors, Chuck Kupferschmidt and Dick Teiston, will hold a class for boys who will be umpiring Little League games in the season that begins May 15.

The class will be held next Saturday, May 6, at 1:30 p.m. in City Park diamond No. 2.

High school students may attend if they are at least 15 years old.

In the event of rain, those reporting will be taken elsewhere for instructions.

Redford Union - NFHS 7-4 Before Standing-Room

With only five returning lettermen, some promising rookies from the J.V., and a handful of free agent hopefuls, coach Tom Wallis had the job of putting together a winning baseball team at North Farmington High School.

With a minimum of time and constant hampering by the weather, a lot of apparent questions remained when Coach Wallis and his squad prepared to enter the exhibition season against a more experienced Redford Union team at Redford Union. NFHS lost 7-4.

A standing-room-only crowd, braving the elements, watched Redford jump off to a fast 4-0 lead off starting pitcher Dan Lichtman in the first inning, partly because of Raider nervousness and partly because of bad weather.

Lichtman more than atoned for early inning mis-ques, slamming a single and a homerun and driving three runs to tie the score 4-4 before departing for a fresh arm in the latter innings.

Junior Dan Harris and Mike McCoy finished the game giving up three runs between them, with Harris taking the loss as Redford failed to yield under Raider pressure.

Bill Says

what's the second most important name on your mortgage?

your bank.

There's a lot more to a mortgage than the amount of money you borrow. Where the money comes from is just as important. And so are the things written into your mortgage.

If you apply for a home mortgage at NBD, for example, you'll find we have the people and facilities to give you personal attention. And because we're a full-service bank, we can keep on helping you with our entire range of financial services long after you move in.

Ninety offices make us the most convenient place in town to apply for a mortgage. There is no application fee. Closings take only thirty to forty-five minutes and are often made at the same office. This saves you a special trip downtown. And closing costs are usually less than a hundred dollars, excluding insurance.

When we write your mortgage, we spell out exactly what rate you'll be paying and what you're paying for. And we'll write in pre-payment privileges that can save you hundreds of dollars if you sell your home.

If you're considering a mortgage loan right now, be sure to consider a very important thing: the name of your bank.
