

Robinson Gets Scholarship

Michael W. Robinson, son of Mr. and Mrs. Paul Robinson of 28765 Kenilwood Drive, is one of 23 high school seniors chosen to receive Michigan State University's creative arts scholarships.

This year's winners were selected from 250 applicants. Robinson, who attends North Farmington High School, received a scholarship in creative writing.

Judging is done by members of the MSU departments of art, music, English or speech.

Winner of an award for outstanding service from the University of Michigan Alumni Council is Mrs. Rudolph H. Sell, 23304 Brandwyne. Her citation states that countless students have received financial assistance because of her genuine and imaginative concern. It states in addition that she has contributed informed, sincere and realistic service as a director of the Alumni Association.

We Show You Cost — Beforehand

Let's Speak Frankly
At McCabes we not only help arrange details of the service, but are careful to explain beforehand what the final cost will be. We also explain beforehand the many items of personal service covered by the one standard charge. While the cost of a funeral at McCabes is often much lower than you'd think, we feel the family has a right to all facts beforehand.

— FACT FINDER —

Question: Where is the B. of C. office located? We have looked for it, but so far, without success.

Answer: A sign has been ordered and is in preparation. In the meantime, however, you can find our office just inside the north side entrance of the Masonic Lodge building (still called "The Old Township Hall" by many of us) located on Farmington Road at Grand River.
