

Marvin Stempien Sees End Of Muny and JP Courts

Livonia's municipal court reorganizational plan stands along with hundreds of an "excellent chance" of being adopted.

When enacted, the bill will replace municipal courts and justices of the peace with District courts with greater jurisdiction over civil cases.

The measure goes before a 26-member study panel Oct. 15.

Marvin R. Stempien, (D) State Representative of the 35th (Livonia-Northville) District, and member of the panel said this week that the

51st Auto Show World's Largest

The automobile capital of the world will have the largest auto show in the world this year.

The 51st annual Detroit Auto Show will cover the entire main floor of Cobo Hall — exhibit halls A, B, and C — as it has in the past. This year, exhibit hall D, on the lower level, has been added, making the show the world's largest in floor area with 400,000 square feet for exhibits.

Dates are Saturday, Nov. 26, through Sunday, Dec. 4. Show manager Boyce Tope expects attendance to top 250,000. Last year's 211,000 was the top crowd figure in the last 10 years.

Stars of the show will be the new 1967 models from the U.S. manufacturers.

In addition to the shiny, sleek cars, there will be cutaway exhibits, engineering displays, revolving turntables, special show cars, beautiful models (girl models, that is) to tell the crowds all about their favorite models (car models, that is).

In exhibit hall D recreational vehicles will be on display. With the rising interest in camping and other outdoor activities, officials expect this exhibit to be one of the most popular.

In the show, Professional stage entertainment is planned this year, with two shows daily and three on weekend days. They will be free to Auto Show visitors.

"We want this to be a family affair," says Tope. "Dad can look over the engineering features while Mom and the kids inspect the styling and pick out the colors and accessories. And they can all get a good look at the safety features which are being built into today's new cars."

American makes, which will be on display include Cadillac, Lincoln, Mercury, Dodge, Buick, Rambler, Plymouth, Pontiac, Ford, Chrysler, Imperial, Chevrolet, and Oldsmobile.

Committee for the show, which is sponsored by the Detroit Auto Dealers Association.

John Izett Heads GM Flint Plant

Appointment of John S. Izett as manager of Chevrolet Motor Division's Metal Fabricating plant at Flint was announced by James J. Hauch, general manufacturing supervisor.

Izett, who has been superintendent-master mechanic at the division's Spring & Bumper plant at Livonia, succeeds J. Donald Winsor, who was named manager of Chevrolet's Powerglide Automatic Transmission and Pressed Metal plants at Cleveland.

Izett joined Chevrolet in 1926 as a student and die maker apprentice at Chevrolet-Flint Manufacturing. He became a die room foreman there in 1940, division superintendent of production in 1942 and superintendent of the rooms in 1946.

"He was named superintendent, master mechanic, at the Livonia Spring & Bumper plant in 1956."

A native of Glasgow, Scotland, Izett is a graduate of Flint Central High School and General Motors Institute.

He and his wife have resided at 11749 Priscilla Lane, Plymouth. They have two daughters and a son.

Now's Time To Enter PPK Contest

Boys from the Plymouth community between the ages of eight and 13 will compete in the annual Punt, Pass and Kick contest Saturday morning at 10 a.m. on the Plymouth High School athletic field.

That was the announcement Monday by Bruce Campbell, representing the Plymouth Jaycees, who are sponsoring the event along with Ford Dealer Leo Calhoun.

The deadline for entries is Friday, Oct. 7 at 10 a.m. at the Calhoun agency. Registrants must be accompanied by a parent or guardian. There is no charge and no special equipment is necessary.

Entrants between the ages of 8 to 13, as of Jan. 8, 1967, will compete with other boys in the same age group, in punting, passing and kicking, for distance and accuracy.

Local winners in each age group will be awarded medals of achievement to the first three winners.

The first place winners automatically qualify for the zone competition during the halftime intermission of a Detroit Lions game.

The national finals will compete at the halftime of the National League Pro Bowl game in Miami, Fla. on Jan. 8.

MEET Fashion Two Twenty BEAUTY CONSULTANT MOLLY LOUGH

The two hours a day I spend working with my friends and neighbors as a trained FASHION TWO TWENTY beauty consultant are both fun and profitable.

"The reception to our exclusive program of beauty care has been so great that we need additional consultants who need to help me. Perhaps you can qualify."
