Mrs. O'Callaghan Dead at 55

Garden City Mourns 'Marg'

Garden City will miss her. St. Raphael Catholic Church will miss her. The United Foundation and a Muscular Dystrophy Association will miss her.

In fact, the death of Mrs. Jack (Margaret) O'Callaghan is mourned by all those who knew her personally and 838 who knew her as a member of the church.

With her husband serving as chief of the Garden City volunteer firemen, Marg was a past president of the Metropolitan Club Auxiliary, of which the male groups is made up of firemen, policemen, and postal workers.

Marg also directed the local muscular dystrophy Association campaigns and was active in United Foundation Torch Drive campaigns. In addition, she was a chairman of the Mutual Aid Fire Squad of Michigan Auxiliary.

Born in Detroit, Marg attended Holy Redeemer High School and St. Ann's Preparatory School before going to work as a legal secretary.

After her marriage, the couple moved to Garden City 25 years ago and raised a family of five sons and two daughters, all of whom are married.

The O'Callaghans lived at 30024 John Hawk Street. Funeral services were held Saturday under the arrangement of Caldwell Funeral Home.

Survivors are her husband, Jack; sons, Patrick, of Cedar Grove, N.Y., Brian of Westland, Airman First Class Michael of Lowrey Air Force Base, Denver, Colo., Terrence and Sean of Garden City; and daughters Mrs. Hugh (Maureen) Conner of Ann Arbor, and Mrs. Gregory (Nora) Fix of Garden City; a sister, Mrs. William

Schoolcraft Sells Issue For Buildings

Trustees of Schoolcraft College at a special meeting Wednesday night accepted the low bid of a syndicate headed by the First of Michigan Corp., for the sale of \$3-million bond issue which will finance the college's 1966 building program.

The nine-firm syndicate bid in the 30-year maturity issue with a net interest rate of 4.633 per cent. Other bidders and net interest rates bid were: Halsey Stewart & Co., 4.7933 per cent, and Phelps Penn & Co., 4.8823 per cent.

Proceeds of the bond sale will provide funds for a number of projects on the campus, principal of which are a new 32-classroom liberal arts building and a new physical education plant.

Funds for retirement of the bonds are derived from a property tax levy voted by college district residents in June.

Post Office To Help Update ZIP Code List

The Garden City Post Office this month will lend local residents a hand in knowing the ZIP code numbers of friends and business associates.

Acting Postmaster John Shiven said that letter carriers will deliver "no postage needed" cards to each of the 10,000 steps in the ZIP code starting Oct. 10. The cards will have blanks for addresses used most often, but for which individuals do not know the proper ZIP codes.

"In cities with one ZIP code assigned," Shiven said, "only an out-of-town card will be delivered since all local addresses will have the same ZIP code number."

With the Christmas card season coming, the ZIP code will be as important as shopping and mailing early for the efficient and on-time delivery of the record-breaking avalanche of mail expected in the pre-holiday weeks, Shiven said.

"After filling in the street number, city and state, the cards are to be mailed back to the postmaster," he said. "Post office personnel will add the proper ZIP codes and return the cards to the senders."

Shiven also pointed out that President Lyndon B. Johnson has proclaimed the week of Oct. 19-25 as "ZIP Code Week" to promote greater usage of the ZIP code.

Council Waives Fee

The Garden City Council last week waived the required solicitor's fee for Blind Products Sales, a private organization which will have a door-to-door sale of products made by sightless persons. The firm has held sales in the community for the past several years.

Michigan State's junior first baseman Tom Binkowski was named to the 1966 all-star team of the Basin League. Binkowski played for Sturgis, S.D., in the college summer loop.

5,000 Fortune Cookies Worth Lots of Prizes

Prizes—some \$1,000 worth—will be awarded October 14, in conjunction with Wonderland Center's seventh anniversary celebration.

Immediately following the initial performance by the world-famous Jimmy Dorsey orchestra, most of Wonderland stores will distribute a total of 5,000 authentic Chinese "fortune cookies," many containing certificates worth valuable prizes. Included are a portable television set, 100 gallons of gasoline, electric blankets, and a host of other gifts.

The cookies will be distributed one to a customer, and, only to those customers who have a coupon which will appear in the Oct. 12

edition of the Observer News-papers. Each of the cookies will contain a good-fortune message. If the tidbit also includes a message indicating that a prize has been won, the recipient will be required to present the slip at the Wonderland administration office located near the Wonderland Barber Shop.

Cookies will be made available to merchants on a pro-rata basis on Wednesday, Oct. 12.
