G-E Porta-Color

Model M210BWD

Starting now, color television is for everybody. It's not too big. This new portable (we call it Porta-Color) has an 11" (diagonal) screen and weighs only 25 pounds. It's not hard to tune. Magic Memory tuning makes G-E the easiest color set to tune! (All you do is turn the pre-tuned color dials until they point straight up.) It doesn't need an outside antenna - (if your black and white set doesn't need one). It has its own set of rabbit ears, so you can have color wherever you have an outlet.

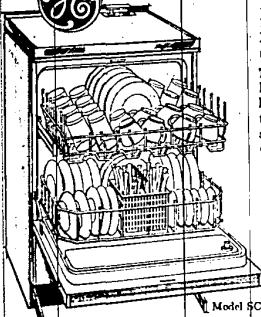

It even comes with a free 90-day service warranty.* So starting now, there's nothing in the world between you and a color television set.

STOP IN AND SEE IT TODAY!

*The General Electric Company warrants to the purchaser of each G-E Line General Electric Portable Television Receiver... free repair, including labor and parts, in the event of manufacturing defects occurring during the first ninety (90) days from the date of original purchase, provided the receiver is properly used in accordance with the instructions. This warranty is void if the portable set is used for other than its intended purpose or if the set is damaged by accident, misuse, or neglect.
