Packer Pricing Policy

The Packer Crusade against high food costs did not start yesterday, last week or last year. The Packer pricing policy has always been to give our customers high quality foods at the lowest price possible margin of profit. And in view of rising costs to us, we will maintain this low price policy. And we back up our prices with the guarantee that any item bought in any Packer store, must give complete satisfaction, or your money back . . . no questions asked!
