Overseas transport will be by jet aircraft, and from July 10-31 the girls will tour Holland, Germany, Switzerland, Italy and France, lodging in YWCA's, carefully selected private homes and youth hostels.

Two experienced YWCA tour directors, Miss Jo Ann Shaw and Mrs. Margaret Walther, will accompany the girls.

By the use of bus transportation, the housing arrangements, and useful amounts of free time planned, the girls feel they will have good opportunities to get to know as much as possible about the people, customs and ideas of these countries.

Each girl planning to participate must also join in several group work projects to take some of the responsibility from their parents for the \$500 all-expense fee. Car washes, a hootenanny, bake sales, a pancake dinner and a folk festival are among the plans for this fund raising.

The Northwest Y-Teen Clubs have opened the trip to Y-Teens of other Detroit metropolitan areas. Girls must be 11th or 12th graders, or June graduates.

A feature of all YWCA trips, there will be three pre-trip meetings to help the girls prepare completely for the trip. There will be help with what to wear, packing, languages, as well as data on points to be visited. Further details may be had by calling the tour directors at the Northwest YWCA, KE 7-8500.

Parents Club to Hold Dad, Son Banquet

The Henry Ford Elementary School Parents Club will hold a father-son banquet at 6 p.m. tomorrow, Thursday, at the school, 38075 Ritz at Ann Arbor Trail.

Theme of the banquet, which will have chicken dinners served family style, will be slot car racing with models to be given away.

The program also calls for Rohloff the Magician to provide the entertainment.
