

Looking for a new, used car? Stop at one of these dependable dealers today!

The second-hand VW. It makes a great first car.

It's a car that won't give anything new to worry about. We make sure of that. We give it the VW 16 point safety and performance test. It has to pass. So we can give it our 100% guarantee that we'll repair or replace all major mechanical parts for 30 days or 1000 miles, whichever comes first. Isn't that what a new car owner needs? A bug that won't drive you nuts.

*Engine, transmission, rear axle, front axle assemblies, brake system, electrical system.
