Bentley high's track team has been the "class" of the Suburban Six League. With only Plymouth left on the regular season, Bentley has swept four straight triumphs in conference and overall events. Bentley boasts a record of eight conquests and a tie in nine meets this season.

What's more, the Bentley team boasts a standout contender to add laurels in such events as the Monroe Relays

this Saturday night and next Tuesday's Western Wayne-Bellefonte relays at Bellefonte in which the Livonians are the defending champions. The reasons for Bentley's success story are numerous. Among them:

1.-The brilliance of hurdler Ken Jackson in the high and low sticks. He has won each event in all nine of the Bentley meets. That adds up to a perfect record of 14-0.

2.-The sprint running of Doug Thomas. He's unbeaten in the 220-yard dash this season.

3.-Steve Dudzinski, an able all-around performer who against Stevenson last week captured three events--the long jump and the two dashes as Bentley rolled to an 88-30 victory.

4.-Distance runner Tom McGhie who twice in a row last week won the two mile and each time set a new school record.

He was clocked in 10:25.3 against Stevenson and then followed with a 10:23.4 as Bentley won easily from Allen Park, 65-32.

5.-Mark Formmsa, a stand-out in the high jump.

6.-The Haggart brothers, Larry and Roger, who regularly compile points in the longer races.

7.-Frank Miller, one of the state's top shot putters, who in the Allen Park meet, con-

Plymouth Hurdler Sets Pace

How good is Plymouth High's Dave Derr?

The speedy Rocks' hurdler has been unbeaten this season in the high and low hurdles. Comes next Thursday, Derr meets his supreme test. He's going against Bentley's Ken Jackson in a dual meet.

Jackson, like Derr, still is to lose in dashing over the sticks--the highs or the lows--this season.

"He sure is coming along great for us," declared Coach Keith Baughman after Plymouth won over Belleville, 70-48, in a Suburban Six League meet last Thursday.

Earlier in the week, the Rocks had succumbed to Walled Lake, 69-48.

The one thing that worries Baughman as he looks ahead to the meet with Bentley is the Rocks' situation in the field events.

Consider the meet with Belleville: Plymouth didn't win in any of the four field events--meaning the pole vault, shot put, high jump or long jump. In the meet with Walled Lake, the Rocks managed a triumph only in the pole vault.

"Without a few points in these events, it's pretty tough to take a meet," admitted Baughman. In the running events, the Rocks are fairly strong. Against Belleville they topped the 100-yard dash, the 440, the mile and two mile and gained seconds in the 220 and the half mile.

The loss of Bruce Cavender, star half miler, who has a fractured leg, hurts the Rocks. He's out for the season.

Goepf is in the hospital and his return to action is uncertain.
