

News from Kimberley

Moves and transfers are changing the names of Kimberley residents. We are sorry to lose old friends but happy to welcome new. Mr. and Mrs. Hans Muller of Kiltarra have been transferred to the Chicago area. Mr. and Mrs. George Bingley (Arlene) and four daughters recently moved into the former Bob Wheeler home on Westmeath.

Mr. and Mrs. Patrick Werne (Nola), 11 year old Patricia and nine year old Billy were new to the sub last fall when they moved into the former Casper home on Middlebelt. Patrick is an Electrical Maintenance Supervisor for Ford and Nola is principal at Roosevelt Elementary School in Detroit.

Ruth Edmonds held a lovely luncheon for Joan Hayes on Thursday, May 18, to bid farewell to a good neighbor who is moving to Green Lake. Those in attendance were Helen Mills, Dee Horst, Rose Acosta, Irene Macielak, Thelma Miller, Lou Karns, and Ellen Braun.

Theresa Reynolds entertained a dozen girls from the A.M. ers Bowling League at a sumptuous luncheon. Tablita, ironically, was strictly golf.

Another luncheon to be held soon is that of the Beechview 5 w m Club Women's Bridge Tournament. The playoffs are to take place on June 8 at 10:30 a.m. at the Livonia Knights. Winners and losers both will then join in the luncheon and verbally replay their matches. Reservations must be made to Pat Hernandez before June 1.

Bowling banquets again are news. Both Sunday night Kimberley mixed leagues finished the season with bowling banquets—the Kimberley Couples at House of Cards, May 13 and the Kimberley Kegglers Couples dined in Plymouth on May 20. Grand Champions of the Couples were Jo and Bud Olson and Jack and Dorothy Newman. Ann and Bob Sneden and Janie and Pat Ryan of the Kegglers took the top spot in their league.

BOWLERS George Fletcher, Bill Vankoughnet, Wally Baringer, Al Zahler and Gordon MacKenzie of the "Union Club" team coined themselves \$750.00 in top trophies for placing first in their house league.

We are proud of Steve Shottwell, a June Farmington High School graduate, who was asked to play saxophone with the band at the recent musical held at Mercy High School and sponsored by the Kiwanis Club.

ALONG the musical theme, Mrs. Betty Love will be appearing in both the singing chorus and as a soloist in the variety show being presented at Nardin Park Methodist Church on May 26 and 27.

On May 13 Mr. and Mrs. Gene Ruffing guested a business associate from Melbourne, Australia. Mr. Ben Bourke is with General Motors Holden Division in Melbourne and is traveling in this country for six weeks.

Mr. and Mrs. Bob Sneden recently entertained Bob's father here from Monmouth Beach, N.J.

Mr. and Mrs. Fred Ehlers recently spent several days in Lansing attending meetings associated with the allocation of United Foundation funds. Fred was vice-chairman of the Michigan Heart Association panel. Fred also is in line for congratulations on his recent election to the Board of Directors of Mercy High School.

Mr. and Mrs. Jack Mills and family have beat the crowd and are sporting tans obtained on vacation in Sarasota, Fla. While there, son Bill caught a very rare specimen—a Rabbit fish which is in the process of being mounted and will be proudly on display some time in the near future.

THE BOB BREESE's returned from a two week trip near Orlando, Fla., where they were on hand to celebrate Betty's parents 49th Wedding Anniversary.

The George Fletchers weekend in Toronto, Canada and then continued on to London to pick up Evelyn's mother, Mrs. Gerlie Hick who is here for a three week visit.

On our sick list is Betty Kaler who is recovering from a recent operation. We are happy to report she is doing fine.

MARIE'S SUKKEE-YAKI, the Siamese blueprint cat held by its owner, Mrs. Roland Mutschall, of 25339 Westmoreland Drive, took four first places in the recent Dynamic Cat Fanciers Show held at Danish Brotherhood Hall. In addition, Sukkee was named best in color, best novice and received a rosette as the best blueprint from the Siamese Cat Society of America, Inc.

Junior Troop 421 Takes Bike Hike

Junior Troop 421, from William Grace School, Mrs. Cathy Reske and Mrs. Elaine Salatto co-leaders, went on a bike hike recently to the city park in Farmington. They had already earned most of their bicycle badge by learning the proper care and maintenance of their vehicles, by practicing safe driving habits as well as the right way to ride, circle and stop; by planning and carrying out a bike-safety campaign at their school; and by making and displaying posters on bike-safety.

They also learned the proper way to park and carry supplies on a bicycle. The scouts had originally planned to go as far as the cemetery in Farmington but it seems that the weather intervened with their plans and they stopped at the park for lunch instead.

THE TROOP has planned a trip to Lansing May 16 and have already contacted State Sen. Kahn and State Rep. Baker from the 6th District, who have promised to take them on a tour of the Capitol. While there the girls hope to be lucky enough to meet the governor. They will have lunch in Lansing and in the afternoon hope to see the house in session.

These girls have also been busy working on the Dabbler Badge. This involves learning wood carving; working with collage (which most of the girls have learned at school); making simple puppets, then gradually going on to more complicated puppetry and finally putting on a puppet show.

The girls also learned to weave baskets from paper and yarn as one of the first steps toward fulfilling the requirements on this badge.
