COME IN NOW!

Now is the time to start seeing new lawns or reseed old ones. You can pay a lot more, but you can't buy better grass seed.

### Realtors Pick Dick Elsea Their 1967 Man of Year

Members of the Western Wayne - Oakland County Board of Realtors have named their president, Richard S. Elsea, as the organization's Realtor of the Year for 1967. The member so honored is chosen annually on the basis of his contribution to the real estate profession. A director since 1963, Elsea has also served as secretary, treasurer and vice-president of the 1,700 member group. He has served on nearly every committee of the group and has acted as chairman of three of them.

As this year's president, Elsea played a leading role in the establishment of the Board's completely computerized multiple-listing system, the first in the country, which is scheduled to become operational in November. He also pioneered the program to make available to the City of Detroit much-needed housing for rental to low-income families. Vice-president and general manager of Elsea Realty and Investment Company, with offices in Detroit, Farmington, Wyandotte and East Detroit, he has been associated with the real estate business since 1932. An honors graduate of Michigan State University, Elsea serves as an instructor for the Professional Standards Course offered by WPCBB's affiliate organization, United Northwestern Realtors Association, in aspirant real estate salesmen. Elsea and his wife, Patricia, have two sons.
