PLEASE
help find a home for this 7 month old mixed shepherd male puppy. He needs a good home with a family that has compassion. This gentle dog is a victim of the recent Detroit riots. He has a permanent hip injury which will only let him use 3 legs, but does not interfere with his excellent disposition nor his ability to walk or run. An older gentleman who had taken the puppy into his home has just passed away. The puppy is in good health and has checked out at a vet including all of his shots.
