SHEFFERS SUBURBAN HOMES

Before you decide to sell your own home, perhaps you'd better ask yourself these questions:

- I. Which is best for me: a cash sale, a real estate exchange or the conditional contract sale?
- 2. Is it necessary to advertise? If so, how
- 3. How can I invest the proceeds of my sale profitably in other real estate? How can new financing or assumption of my present mortgage, as well as other mortgage problems be arranged if I sell now?
- 5. What should my contract be regarding occupancy of my buyer?
- A How can I get all the information on comparative values, and market trends?
- 7. Is this a good time to sell?
- 8. How can I avoid wasting my time and money on qualified buyers?

SELLING? It Will pay you to contact the Thompson Brown Co.

A decision that could save you time, effort, and money. Reason? Because the Thorhbson-Brown Company are Realtors, professionals in real estate.
