

HAPPY HOMECOMING QUEEN at Clarenceville High is Marie LaLonde who sits on the throne shortly after her coronation last Friday night. Ceremonies surrounding the homecoming were delayed until after the game because of the inclement weather. Marie ruled over the traditional homecoming dance.

Extension Of Terms In Township Opposed

State Representative John Bennett, Democrat of Redford Township, has won the backing of 19th Congressional District Democratic Chairman Aldo Vagnozzi in his fight to prevent an unconstitutional extension of the terms of township officials.

Vagnozzi praised Bennett for calling attention to the fact that legislation passed by the 1967 Legislature extending the terms of township trustees to nearly six years violates the state Constitution's provision contained in Section 18, Article 7.

Redford Township's Alex Stewart was honored by Detroit Edison recently upon his 40th service anniversary. Stewart, who makes his home at 15390 Woodbine started his Edison career in October, 1927, as a messenger boy and is presently assigned to the company's marketing department.

officials will have longer terms than even the President of the United States and the Governor of Michigan and other township officers will be kept in office far beyond the two-year mandate which the voters gave them in 1965," Vagnozzi said. "Rep. Bennett is correct in challenging whether the Legislature can impose an unconstitutional extension of terms of township officials far beyond the period for which the voters elected them. We can't keep local government responsive if we don't give the voters a chance to elect their officials every two years."
