Blue Ribbons Containers Add Special Touch

Mrs. Harold Brown, of Farmington, puts together so many tasteful flower arrangements that she can scarcely remember the particular touch that won her a blue ribbon at the 1967 Michigan State Fair.

The class won "Reaching for the Moon," and she is sure she used one of the many containers she has made to hold her arrangement.

"I do my own ceramics," Betty Brown said, "and after I've used one for an effect I want I tend to see it and forget it."

Betty has won dozens of ribbons at flower shows in the area, and last spring she capped a tri-color for the best of show in the Federated State Garden Club convention at Greenfield Village.

She's a past president of the Farmington Garden Club and has taught flower arranging in the Farmington area. The Browns have one son, Harold.
