Union Offers Free Calls To Parents Of Servicemen

"Hi Mom" Those two words will be shared by 15 families in the Plymouth, Livonia, Farmington, Westland, Northville, Garden City and South Lyon area from servicemen or women stationed outside the continental limits of the U.S.A. during the holiday season.

In cooperation with the USO, Local 4015 of the Communications Workers of America in Plymouth is sponsoring the free overseas telephone calls

as part of the union's 11th annual "Hi Mom" program. Gerald S. Greer, president of Local 4015, said anyone with a loved one stationed overseas is eligible to win a free call, although "Hi Mom" will be given top priority.

PERSONS WANTING to enter a contest or submit the name of a person should send a letter or postcard with their name, address, and telephone number to:

CWA Local 4015
Box 141
Plymouth, Mich.
Deadline for entries is Dec. 15. The winners will be announced Dec. 20.

In addition to local participation Greer said the union is increasing its role in the program this year. CWA will finance 150 calls for servicemen and women with selections to be made by the U.S.O. in cooperation with the military commanders.

CWA will finance another 50 calls to wounded and injured military men and women confined to hospitals. The hospitals in which American GIs will be permitted to call home are in Okinawa, the Philippines, Japan, Guam, and Hawaii.

Greer said local winners will be selected at the Detroit downtown USO on Wednesday, Dec. 20.

CLARENCEVILLE SWIM CLASSES
Open Dec. 12

Clarenceville High School will be the place for a new session of adult swim instruction which will begin Dec. 12 at 7 p.m. Even though Michigan has been called "The Water, Winter Wonderland" and "The Great Lake State," there are still some people who don't know how to swim.

This knowledge has become increasingly necessary since the advent of heightened interest in pleasure boating by residents.

In an effort, possibly to help overcome this swimability gap, the School District will offer classes for beginning and advanced swimmers.

The fee is \$5 for ten lessons. Any adult interested can register for the lessons the first night at the pool entrance and registration for student swim classes will be conducted Dec. 2 at the pool entrance from 9 to 12.

Instruction will be offered for boys and girls in beginning and advanced swimming, competitive swimming, diving and junior-senior life saving.

For further information call Clarenceville High School, 476-2270, and ask for Mr. Walters.
