## Red China Goofed On Nuclear Test

SOUTH VIETNAM President Nauyan Van Thiou has nable-basired with President Johnson to have informal talks with midviduals of the National Liberation Front (NLF).

A plant statement said Thleu "reaffirmed willingness to discoss relevant matters with any individuals now associated with so-called National Liberation Front, while making it clear that his government could not regard the front as an independent organization in any sense."

GREEK KING CONSTANTINE

GREEK NING CONSTANTINE is expected to return to Athens scorres.

The king's demand for a time-table by the ruling junt for the restoration of parliamentary democration of parliamentary democracy as a condition for his ceturn is not expected to block the way.

LUXEMBURG and the Netherlands refused to take part in talks between member nations of the European Economic Comdunity (Common Market) in restallation for France's latest veto of membership for 3 %.

with of membership for 8 %-in.
It is believed that French
President Charles de Gaulle's
rigid refusal to allow British
in, will touch off a round of
bitter hagling among the six
market members--west Cermany, Italy, Beigium, the Netherlands. Luxemburg, and
Prance--it is feared.

President Johnson spend the Christmas Day holiday at home in the White House following a six-day, 27,000 mile journer around the world highlighted by a meeting with Pope Paul VI in the Vatican. Main topic of discussion was the Vietnam War and how to end the fighting there. Following the meeting, Président Johnson emphasized the unity between the two men although Pope Paul declined to comment publicly.

comment publicly.

Red China may have gooded on its latest nuclear test, according to U.S. government officials. China has refused to comment on the results of its seventh and latest test, causing the Atomic Energy Commission to speculate whether the test was unsuccessful. Previously, China had anounced its nuclear tests results within hours, setting off nation-wide celebrations.

A representative of the Greek military regime met with King Constantine in Rome Monday before ambouring that the King Constantine in Rome Monday of the Rome Monday o

STUART ERWIN, a movie and TV actor, died Dec. 21 in his Beverly Hills, Cal. home at the age of 64.

FOUR UNIVERSITY of Georgia students drowned Dec. 21 while scuba diving in a cave in Jennings Springs, Trenton, Fla. They ran out of air while 700 feet inside the cave.

THE SENTENCING of John Patler, convicted of first degree murder, in the slaying of American Nazi Party Leader George Lincola Rockwell, has been delayed until January. The jury recommended a 20-year prison term for Patler, but under Virginia law the judge may reduce the term or set it aside.

NEW ORLEANS DIST, ATTY, Jim Garrison has ordered the arrest of Edgar Eugene Bradiey, the second person he has formally charged with conspiring to murder President Kennedy.

nedy.

In North Hollywood, Calif.
Bradley denied any knowledge
of what Garrison was charging
him with and said that he had
only been in Dalfas once in his
life--last March or April.

Anent: the "Open Housing Ordinance," editorial sixvaring Crdinance," editorials favoring same and the various reports concerning views pro and editorial sixvaring and the sixty of the various reports of the various results of the constation, the right person the Constitution, the right concerning the results of the constation, the right to protect your neighbors, the right to protect your property and all other freedoms inherent in a frees and decent society. "May we refer to some of your articles re the subject before us. I recall an term by some person, maybe a clergyman, who favored a 15 per cent mix. My question its, "Just who is this person, deef disturbed to the person of the City of Plymouth and crime in the streets?

Then you published a letter sized by clergy in this area. They favor the ordinance, Nico know them, but the ordinance we mpts their business and sects from the effects of the legislation. This hypocrisy slond should have defeated the ordinance, if the City Commission had discernment and sonse.

"YOU REPORTED Plymouth Tognathp proceedings and the opinion of Ralph Cole, attorney for the Township. He ruled against such an ordinance. I have known Mr. Cole many years, he is a capable attorney and 'I agree with him. May inote that the City Attorney for plymouth has refrained from saying, that the ordinance is constitutional? In justice to him, I may say that no attorney, having due regard for the law, can draw a valid bill or ordin-ance plumdering the public for the benefit of a minority, if it be a benefit,

it be a benefit,
You published the position of
Rep. James Tierney in opposition to the bill in the state
legislature. His position is
correct, I admire his courage,
and I shall vote for him even published the position of

Romneyite.
In your issue of December
13, you report views of the
Michigan Council of Churches Minigan Courell of Charches et al. They claim that colored to not destroy property values, Sorry, but they do, So do shift-less whites. Said article is, on the whole a bislant distortion. Note the 120-follarmont area, I tived there many years, Not only was this fine section made x sium, but they burned flown. Honestity, I was sickened by the sight, As we know, the

rioters went after Jewish storks, also they killed some poor old man on Linwood, of foreign extraction, in front of his little store or shop in cold blood, few days ago, two white med triving on 12th had to shop for a traffic light. They were shot by negroes and taken to Ford Hospital, Whether they polled through intensive carried to not know.

We cannot have cheap politicians selling out our decent citizens, black or white, we must have order, we cannot have clergly leading riots, advocating violence and murder or conforting homosexuality as we know has happ ened per condonting homosexuality as we know has happ ened per swapper feeports.

The remedy? Well, this people and the control however the control however the churches, Many are deciding that they have had enough and are leaving their churches. In New York and have fought in every war we have had. I think we need true relicious persecution in France, built one of the first churches in New York and have fought in every war we have had. I think we need true relicious house of the policy of the points were the first churches in New York and have fought in every war we have had. I thank we need true relicious house of the policy of the points's extending the first churches become political or corrupt there is a reaction.

Histry N. Devo

I am sorry about this, tecause my people suffered religious persecution in France,
built one of the first churchest
in New York and have and
thinks we need true religion.
But we must remember that
history tells us that when
churches become political
in They come in all
this gala spectacle. Those of
us who go through this every
year do so with the hope that
we are adding to the endyment of
others -- in the true Christmas spirit.
Enjoy It Nr., and Mrs., Public
because we have lost the spirit,
because we have lost the spirit,
because each year the number
of others -- in the true Christmas spirit.
Enjoy It Nr., and Mrs., Public
because each year the number
of use we have lost the spirit,
because we have lost the spirit,
because each year the number
of others -- in the true Christmas spirit.
Enjoy It Nr., and Mrs., Public
because each year the number
of use we have lost the spirit,
because each year the number
of use we have lost the spirit,
because each year the number
of use we have lost the spirit,
because each year the number
of use we have lost the spirit,
because each year the number
of use we have lost the spirit,
because each year the number
of use we have lost the spirit,
because each year the number
of use we have lost the spirit,
because each year the number
of use we have lost the spirit,
because each year the number
of use we have

perior Court, in an opinion up-holding the state's maripuana laws, has said the weed is prop-erly classified as a narcotic. The ruling of Justice G.Jo-seph Tauro came in his denial of motions to dismiss narcotics charges against two men who made the first challenge of the constitutionality of Massachus-ett's laws banning possession ett's laws banning possession and sale of marijuana.

and saie of marijuana.

THE U.S. COURT of Appeals ruled that the State Department has exceeded the power Congress gave the department to curtail constitutionally protected rights to travel and cannot deny a passport to an American simply on the suspicion that he might visit an off-

limits country.
The three judges unanimously overturned a regulation that was "t.md at preventing anti-mar protestors from traveling to North Vletnam or one of the three other communist countries.

H. RAP BROWN, black power advocate and leader of SNCC, was turned down by Supreme Court Justice William O. Dougton, and the court-imposed travel ban that restricted Brown to portions of New York State.

Federal courts restricted the travels of the chairman after he was freed on bail pending action on charges he incited

U.S. REP. GERALD FORD, house Republican leader, call-ed President Johnson's sugges-tion that the government may have to find jobs for the hardhave to find jobs for the hard-core unemployed in the nation's cities a "throwback to the New Deal, What America needs is new ideas for new problems, a better deal," he said.

However, the proposal was endorsed by a key house law-maker, Rep. Carl D. Perkins (D-Ky.), chairman of the Education and Labor Committee that would handle any such plan.
