Charge It

- Designed for the car that has many electrical accessories
- Designed for the car that sits out in the winter cold.
- Will improve the starting ability of older cars

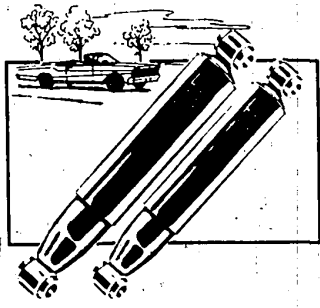

The straight-through design gives more usable power because the cells are joined by welded connectors that go directly through the partitions between the cells. In an epoxy bonded container with a one-piece top to prevent corroding.

BATTERY GUARANTEE
No charge for replacement within 90 days of purchase if battery proves defective. After 90 days, we replace a battery, if defective, and charge you only for the period of ownership, based on the regular price less trade-in at the time of return, prorated over number of months of guarantee.
