I would suggest the rest of the McMath family watch themselves if they insist on skiing.)

ALL OF THE Nauman family, of Northwick - including grandmother Nauman - had a marvelous Christmas vacation in Fort Lauderdale, Fla. Christmas day was rainy, but the rest of the time the weather was gorgeous.

Betsy had a birthday Dec. 29 so the Naumans, plus three other families and a small group of friends, went to a fancy restaurant, the Mai Kai, to celebrate. The waiter sang to her and how many people can say their birthday party cost less than a dollar? (But didn't have to take out a loan - it was dutch treat.) Another memorable evening was spent viewing the Orange Bowl Game.

They had difficulties with transportation flights home and grandmother Nauman came back Jan. 1, four of them Jan. 4 and the last three Jan. 5. As their plane was winging home, the pilot kindly advised them that it was 79 degrees in Florida and when they landed in Detroit it would be -1 degrees! But all agreed it was a marvelous vacation.

FAVE AND Kenneth Harris and family are the new occupants of the former McCol home on Briarton. Family consists of daughter, Carolyn, 15, who attends North Farmington and son, Mike, 16, who is a student at Michigan Tech. Their former residence was in Greenfield, Ind. and we hope they are happy with their new surroundings.

Several weeks ago, Jack and I along with the Cops, Fran, Zeke and son, Mark, traveled to Albion to see their son play with his team from Grand Valley College. Our daughter, Deb, who is a student at Albion, sat with us so Jack and I didn't cheer for anyone out loud - but

secretly we were hoping Hub's team would win - but must report they lost.

Jan. 14 finds the Schenkel family with a double celebration - it's their wedding anniversary and also Lois' birthday who celebrated Jan. 13.

day.  
Danny Bemba blew out candles on Jan. 10 and Jan. 19 is Gunnar Buzzard's day.  
And a belated Happy Anniversary to Marge and Harvey Etig who celebrated Jan. 13.

THE ROE family, of Old Bedford, spent Christmas with grandparents at St. Ignace and did some skiing in the Boyne Highlands. They also went to the Tropics Mountains near South St. Marie and found a lovely little lodge, not too crowded, with good skiing nearby which they highly recommend to anyone interested.

Bob McMath and son Doug went skiing at Alpine last Saturday. Some ice tripped up Doug and he ended up with a broken leg. The doctor told him Monday though that in a few days he could attempt school.

Doug's aunt was a skiing victim the week before and ended up in the hospital with broken bones. They can now exchange sympathy cards. (I'm a firm believer in misfortunes happening in three so

### Clean Roads!

EDITOR:

I have just finished reading your article "Snow Removal Ordinance Lacks Enforcement in City" of Jan. 10. I agree with all that is said in the article but I have something to add. It seems to me that if the city is going to become concerned about the conditions of the sidewalks, they should also become concerned about the conditions of the roads.

I am a resident of Bel-Air Subdivision and our streets are a disgrace. They have been neither salted nor scraped at all this winter. The first snow that we had is now solid ice, and it is covered with two inches of snow.

This subdivision has a large population of children. When driving I am constantly concerned that some child may run out in front of me and I am aware that, because of the conditions of the streets, I would be unable to stop.

I hope that the city will become more conscientious about their responsibilities, as they hope the residents will become more conscientious about theirs.
