# The First Step Is Taken

There's an old saying that the best way in which to accomplish nothing is to hold a meeting. Hopefully, the fallacy of this will be proven when and if the city and township officials sit down to discuss mutual problems.

A proposal from Councilman John Allen for quarterly meetings between the City Council and the Township Board has been received favorably by Township Supervisor Curtis H. Hall.

Formal action by the township board is expected during its meeting Monday night.

**IN MAKING** the suggestion, Allen asserted that the meetings would be "a step forward in improving communication, planning and public relations for the better welfare of the community."

Some of the topics which would be explored, according to Allen, are zoning, recreation, police and fire protection, traffic and road development along with the Oakland County capital improvement proposals.

**If the thought of buying a new furnace bothers you, read this new Three-Step Protection Plan.**

First, call Edison. We'll give you the names of electric heat contractors near you. Each has been Edison-approved as capable and reliable.

Next, the contractor will check your home, review your needs, and recommend the type of heat best for you. He will estimate both installation and operating cost and give them to you in writing. All without obligation. We'll check the quotes if you like.

Then, after your new electric heat system is installed, Edison and your contractor will make any adjustments necessary to the system if operating cost exceeds the original estimate during the first three years of use. At the end of this time, if operating cost still exceeds the estimate, and you aren't satisfied, Edison will remove the system and refund your original price.

That's our new Three-Step Protection Plan. Remember the first step. Call Edison.

## editorial

The lack of communication on an official level between the city and the township has been a growing problem for some time. Oakland County Board of Supervisors Chairman Delos Hamlin called for a standing committee of township and city representatives to consider "mutual problems" in a recent interview published in The Farmington Enterprise & Observer.

**THE CITY'S MAYOR**, Wilbur V. Brotherton, issued a plea for opening the channels of communication during the discussion about sponsorship of the area governmental study.

This paper has called for better communication between the representatives of the people.

Thus, the City Council's adoption of establishing a schedule of meetings with the township is the first big giant step in the right direction.

Township acceptance of the idea Monday night will be the second big, giant step.

Unlike the child's game, the trustees won't even have to ask "May I?" before taking the step.

The Women's Association met last Tuesday in the home of Ann Perry. The beautiful spring-like day brought out a larger number than the past few months with 30 attending. This included four of our newcomers: Ann Kors, Lee Kay, Helen Schneider, and Gertrude Screen.

We were very glad to welcome them and we hope to see them often. Marilyn Brown and Maxine Carlson were co-hostesses providing the very delicious pies. Ginny Albertson conducted the meeting which followed dessert and we pleased 125 cancer pads.

Nancy Brassier offered to have the pinning at her home on Feb. 20 so we will have cancer pads to sew at the March meeting.

The Pack received its charter at its first meeting Jan. 19 at which James Langley, Larkshire principal, received the charter from Glen Black, Cub Master of Bond School Pack 48 and representative from the Pontiac Scouting District.

The new Pack's cub master is Robert T. Smart. Pack committeemen include Robert Anderson, treasurer; Leo Devine, awards chairman; Diana Lickay, secretary; Theodore Lohay and Edwin Wisart.

The Pack is organized into five dens headed by Delores Fox, Den 1; Patricia Bruner and Marilyn Smart, Den 2; Betty Devine, Den 3; Marlon Bruce, Den 4; and Louise Rickett, Den 5.

## City Loop Paced By Builders

At the midway point in the Farmington City League basketball schedule the David Franke Construction Co. quartet leads its closest rivals by a one-game margin.

Frankie boosted its record to 4-1 with a 63-32 victory over Johnston & Johnston this week, while Republic Underwriters edged Arrowsmith Tool & Die 44-43. In the third game, MacDonald's Farmington Alumni defeated the Jaycees, 55-44.

Trailing the Franke team in the standings are the Jaycees and MacDonalds, who are tied for second with 3-2 records. Johnston & Johnston and Republic both stand at 2-3, while Arrowsmith is in the cellar after winning only one game and losing four.
