HELPING HAND -- Farmington Jaycees held "Police Appreciation Night" this week in the American Legion Hall, during which they presented \$500 worth of equipment to the city and township Departments of Public Safety to use for demonstrations on life saving. One of the pieces of equipment was a "ResuscitAnn" dummy (on the table) around which are gathered Officer Murray Schwitzer, City Police Chief Robert Deadman, Jaycee Art Hill, Township Police Chief Irving Yakes and Jaycee Dennis Pherry.

REAR ENTRANCE

Many people have commented to me about the absence of our news column. The reason for this has been the lack of a correspondent.
I, too, have missed reading of the activities of our sub and for this reason have decided to give it "the old college try."
A MOST enjoyable evening of dining and dancing made the annual dinner-dance a memorable time for 42 couples. Those who were absent missed a good time and we hope will make an effort to attend next year's party. Our compliments to committee chairman, Joyce Herberholz and her helpers, Donna Beck, Jeanne Plante and Gail Drew for a job well done.
The Sunday eve bowling league rolls along. Charley Gledhill had a great 703 series with games of 245-245-213. Nice bowling, Charley. Many of our gals bowl on Thursday a.m. so if anyone is interested we need subs. Call me for more info.

Craig who flew to Montreal for the funeral of Joe's grandfather. Though a sad event prompted the trip, the Craigs decided to do some enjoyable things such as sight-seeing and shopping in this picturesque city. Dinner at St. Gabriel's in Old Town will long be remembered.

The Womens Association met March 5 in the home of Geneva Rogied with 22 attending. It was a particularly fine meeting as Marian Lam had arranged for Mrs. Mary Tabor, R.N., of Grosse Pointe, to come and talk to us about her recent visit on the hospital ship Hope. Her husband is also at Ford Hospital so knows Conrad Lam very well. Dr. Tabor had volunteered for a two month period on the ship which was then stationed off Cartagena on the east coast of Columbia, S.A. Mrs. Tabor and the children went down to spend Christmas vacation with him--most interesting and rewarding for them. Mrs. Tabor spoke graphically of the fine work done by that ship.
It was also very nice to have Emma Stock come to her first meeting. Actually, Emma, Rol-

and, and their five children moved in last October. Roland is a commercial artist for the Reynolds Aluminum Co. The children are Kathleen, 18 in June, Mark is 14, Laurene, 8, Michael, 5, and little Caroline 20 months. We certainly are glad to have them here in Wood Creek.
Paul Beel's father, now a young 86, came over from Denmark recently with a friend. He spent two weeks in Florida visiting a son before coming to spend two weeks in Wood Creek.
MAURY and KIM Brassert are becoming experienced and competent riders. They both took part in the area schooling show at the Bloomfield Hunt Club, weekend before last. Maury got fourth in equitation over fences and third in equitation on the flat, Kim was sixth in equitation over fences. Congratulations fellows--keep it up.
