

Schoolcraft Dean Named to Board

Robert A. Stenger, dean of academic instruction at Schoolcraft College, has been appointed to a three-year term as a member of the Commission on Accreditation of the American Association of Junior Colleges. The Commission is one of five within the AAJC, which represents more than 750 of

the more than 800 two-year colleges in the United States. Stenger's appointment was announced by Edmund J. Geary, Jr., AAJC executive secretary, at the recent AAJC annual convention in Boston, Mass. The 15-member Commission is presently developing plans

for a Seminar for Great Teachers during the Summer of 1969. The plan calls for bringing together for an intensive 10-day seminar-workshop.

Evans Plant Gets Order For 26 Cars

Evans' Products Company's Railway Car Division announced receipt of an order for 26 of its coil cars from the Elgin, Joliet and Eastern Railway Company. The 100-ton, 50-foot cars will be used to transport coils of steel. They are equipped with lift-off covers, Hydra-Cushion underframe, and special crossmembers of Evans' design.

The cars will be built at Evans' Plymouth railway car plant, with delivery scheduled for April. Evans has now sold over 1300 of this type car since it was introduced at the Combined Railway Exhibit,
