

Panthers Move Into Quarterfinal

GC East 'Freeze' Chills Pontiac, 74-62

Making fantastic use of their patented "freeze" for the final 10 minutes, Garden City East's amazing Panthers became the first quintet from that city to gain the quarterfinals of the State Class A basketball tournament.

It took quite a bit of doing this time for the Panthers were matched against the speedy, fast-breaking Pontiac Central Chiefs from the powerful Saginaw Valley League but the cool, calm Eastsiders were more than equal to the occasion and rolled to a 74-62 victory.

An amazed crowd of more than 2,500 saw Coach Billy Joe Young order his team into the now well-known "stall"

with 2:34 remaining in the third quarter and a 50-46 lead.

It seemed like a daring move and it was—but the Panthers had the Chiefs completely baffled and never were in any grave danger.

MATTER OF FACT, East didn't take a shot at the basket until the final 40 seconds. During that 10 minute lapse, it drew numerous fouls and connected on 18 of 20 to build a 68-56 lead. Rick Clack broke the deliberate stall when he was wide open under the basket for the lone field goal in 10 minutes.

The victory sent East into the quarterfinals against pow-

erful Detroit Catholic Central Wednesday at 8:30 p.m. in the new University Events fieldhouse at the University of Michigan.

CC, with a record of 20-1, won the Catholic League championship and then battered Detroit Murray-Wright in the city title battle.

The Catholic team has essentially the same squad as that which lost out in the quarterfinals a year ago and goes into the game as a strong favorite.

For Garden City, Saturday's victory was the 12th in a row and boosted the season record to 22-1. The lone loss came at the hands of Ecorse in the finals of the River Rouge hol-

day tournament and snapped a string of 10 straight.

THE PANTHERS had sweet revenge for that loss in Thursday's regional semifinals when they came from behind to register a hard-fought 74-65 victory.

East held a 68-56 margin with 52 seconds remaining and then hit twice in the remaining time on baskets by Charley Sakmar and Mike Maciasz to clinch it. Saturday's game was something else and there were many in the stands who thought the tall, speedy, jumping jacks from Pontiac Central had a bit too much power.

But such wasn't the story. In the final analysis, it was the fine ball handling and coolness of the East cagers under great pressure that was the difference.

THE FIRST QUARTER was a see-saw scrap that saw Maciasz tally three points in the final minute to give Garden City an 18-17 lead.

Clack and Charley Sakmar hit three times from the field in less than a minute of the second period to give East a 24-10 margin.

Sparked by some brilliant marksmanship by Clayton Burch, Len Cole and Frank Russell, Pontiac moved in front, 32-30 with two and a half minutes on the clock.

Clack split the cords twice from outside and Maciasz flipped in a pair of free throws for a 36-32 edge with two minutes to play. In the remaining time, Church and Al Wilcox hit for Pontiac and Maciasz for East to make it 38-36 for Garden City at the intermission.

It was still anybody's game for half of the third stanza with Garden City holding a 50-44 lead with three minutes to play in the period. That's when Pontiac changed into a man for man defense and with two and a half minutes to play big Mike Maciasz drew the third personal foul with the score 50-46.

AND THAT WAS where Coach Young called his boys together and ordered the "deep freeze" that won two games in the district meet a week earlier and "froze" out Farmington earlier in the week.

And that was when Pontiac Central started to foul to gain possession—it proved fatal for East converted on 22 of 25 attempts to turn the game into a rout.

Clack was fouled by Russell and made both—he had four for four during the evening. The result was that Garden City held a 62-48 edge going into the final eight minutes.

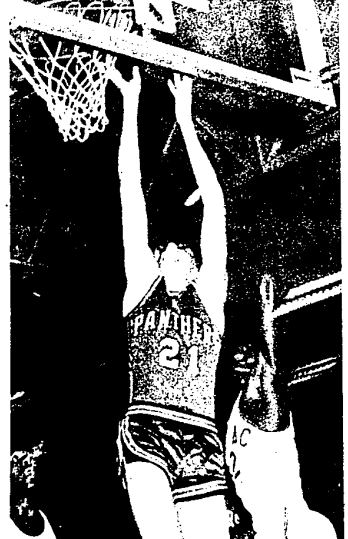

In the fourth period, the foul shooting for East went something like this. Slade hit twice and then missed one of two. Bill Crowell made two, Sakmar had two, Slade two, Clack two, Maciasz one of two, Sakmar two, Maciasz two, Clack made the lone basket with 40 seconds remaining. Then the

HAPPY WARRIOR. That's Coach Billy Joe Young of Garden City East, who clearly shows his happiness after seeing his team win the regional championship.

TENSE LOOKS on the faces of players gives some idea of the close score at this point in the Garden City East-Ecorse game. That's Merritt Butler dribbling while East's Bill Crowell (35) gets ready to try and stop the play. Other players are Mike Maciasz (21), of East, and Frank Russell (34) of Ecorse. Garden City won the semifinal game, 74-65.

REBOUNDING like this is what kept Garden City going against Pontiac Central in the first half of Saturday's championship—then the Panthers put on their patented stall in the final 10 minutes to clinch the victory. Big Mike Maciasz (21) goes high to snag this rebound from Pontiac's Rudy Churchwell (52) and Lenie Cole (32).
