

# 'Mud Week' Blues

It was the prevailing mud which led to the theft of \$97 from her purse, claimed a Farmington Township housewife this week.

Mrs. Ronald Redman, of 2918 Eldred, told police that on Tuesday afternoon a motorist whose car had become mired in the goo in front of her house asked permission to use her kitchen telephone to call a tow truck.

Mrs. Redman said she stepped out of the house to check the whereabouts of her four-year-old child and later discovered \$97 missing from a purse she had left in the kitchen.

She blamed what she said was a youth standing about 5-11, weighing approximately 160 pounds, 20 to 22 years of age and driving a bronze-colored 1965 two-door, hardtop Chevrolet. She said he has bushy brown hair.

"We've just recently moved here from Mt. Clemens and desperately need that money," said Mrs. Redman. "This is what I get for being a good Samaritan."

## SPORTS BRIEFS

Football drills have started at the University of Michigan. Coach Dump Elliott has 82 candidates on deck, including both his starting offensive and defensive backfield.

Biggest problem facing Elliott: more depth at all positions.
