**Mall Merchants Sponsor Activities!**

Each Livonia Mall Merchant contributes a number of dollars every month to sponsor activities in the Livonia Mall. There is always something going on—either in the Mall or in the large Community Room near "G" entrance in the Mall.

Every Wednesday the Colonial Senior Citizens hold their meeting in the Community Room. The Weight Watchers meet on Tuesday afternoons. On Tuesday morning there is Ladies Day in Cinema 1, which starts at 9:30 a.m. with a free cup of coffee, free movie and stores give cash prizes and gifts.

There is Ballroom Dancing in the Community Room on Friday nights and on Saturday there is a Coin Show which starts at 10 p.m. and lasts until 9 p.m. Dealers come from all over Michigan and Ohio with their rare and wonderful coins and stamps.

Sam Fields and his Art Show will be in the Mall starting April 3 to the 13. In addition to paintings from local artists there will be craftsmen demonstrating their skills.

On April 25 a special benefit and theatre party will be held at Cinema 1 to benefit Rhonda Niss, a Livonia wife and mother who has had to have both her kidneys removed and her life depends on an expensive kidney machine. Tickets at \$1 are on sale in the Livonia Mall Management Office to aid this brave young woman in her fight for life.

In addition to the Art Show there will be an unusual display of antique Mothers' Day Cards on display in the Mall—and a special little house within the mall where children can shop by themselves to buy something for their Mother.

On the list of coming attractions is a boat and campers show; trout fishing contest; AAUW Book Sale, Hawaiian trip for a lucky couple and a new feature, Livonia Mall Town Hall Series. See you at the Livonia Mall where there is always something going on!
