Don't be fooled by the weather -Spring is here and Easter is just around the corner. Livonia Mall Merchants are thinking Spring and Easter and their windows and shelves are filled with evidence heralding the end of winter and the beginning of a new and colorful season!

A colorful, live Easter Bunny will be available (in a purple Bunny suit) to have a picture made for Easter.

In addition Livonia Mall boasts the largest Easter Bunny in captivity—10 feet tall in his stocking feet. He is not only tall and elegant—he is generous too. Children through 12 can pull his lever and receive, free of charge, a plastic Easter egg filled with candy. Each egg contains a number and a great many of the numbers are lucky. Boys and girls, with their parents, can check at the various merchants and find out if their number is lucky. Lucky number holders will receive a present or gift certificate from the stores participating.
