Briar Hill NEWS

Fran Mann, 626-5946

The semi-annual open meeting for Briar Hill residents will be held Thursday evening, April 4 in Orchard Methodist Church on Farmington Road, between 13 and 14 Mile. After a business meeting beginning at 8 p.m. sharp, the two guest speakers will be Township Chief of Police Irving Yakes and Chief of Detectives Russell Conway on "Civil Disturbances" and how they affect the people of Farmington Township, a topic of concern to all of us these days. And if you haven't paid your dues yet, do so at the meeting so you will be qualified to vote.

ANOTHER FUTURE date to mark on your calendar is May 4--night of the Briar Hill Annual Spring Dance which will be held in Meadowbrook Country Club. More details later.

The annual Easter Egg Hunt begins at 11 a.m. on Saturday, April 13, in the northwest corner of the subdivision where 600 eggs will be scattered around in the woods. There will be two groups searching--two to four year olds and five to eight year olds. Anyone finding a golden egg will receive a special prize--and those finding snakes can keep them, too.

IT WAS A terrible ending to a pleasant two weeks in Florida when Grace and Bob MacLeod arrived home on Sunday, March 24. They got caught in the big storm and had to battle snow and bad roads almost from Tennessee. Now they need a few days to recuperate.

Congratulations to two of our young people--to Gail Ettig on her engagement to Airman Stephen Banks, of Farmington; and to Bob Hatch for being named a distinguished student at Purdue University for maintaining B plus grade averages.

March 16 was number 21 for Sue Nauman in birthdays and her family feted her at the Top of the Flame. Ann Wingle was home from Ferris for a semester break on her birthday, March 17. Sari Britton's mother shared in her birthday celebration on March 11 and then the following week Kaye was in Ford Hospital for surgery and by now should be home ready for callers.

AFTER BAKING birthday cakes for a son and daughter this month, I wonder who makes one for Flo Nauman on her day, March 30? Will daughter Pat call from Germany to wish her father, Al Norton, a happy Birthday on March 30?

Sunday, March 31, will find Barbara Hug blowing out candles and Ross Reuhle will have eight to blow out on his cake. In our own household, our son John will be 18 March 27--but due to everyone having other engagements, the celebration is postponed to March 28.

We were very sorry to learn of the automobile accident that took the life of Roger Palarchio who lived in Briar Hill for many years. Our condolences to his family.

IF YOU WERE watching the Class A Basketball Championship game the other evening, you would have seen Dan Lutkus, of Northwick, being honored by the Michigan High School Coaches Association.

Earlier at a dinner given by the Detroit Free Press, he was awarded a plaque for his 26 years association with athletics at Hazel Park School.

Is anybody else wondering what happened to the caution light that was to be operating at 13 Mile Road and Farmington Rd. by March 1?

TERM'S ORIGIN

The term "stuck up," to denote someone who believes himself to be very important, was obtained from the peacock, who sticks up his colorful tail to emphasize his importance.

UNUSUAL FISH

The tiny sea horse is an unusual fish. It has a colllike head, an insect's shell-like body and the pouch of a kangaroo. In his pouch, the male fertilizes and develops the female's eggs and "gives birth" to young once in 10 days.

OFFICIAL
NOTICE OF SALE
$14,000.00
Township of Farmington
Oakland County, Michigan
Eastfield Subdivision Sewer
Special Assessment Bond

Sealed bids for the purchase of Eastfield Subdivision Sewer Special Assessment Bonds, to be issued by the Township of Farmington, Oakland County, Michigan, of the par value of $14,000 will be received by the undersigned, at the Township Hall, 31555 Eleven Mile Road, in said Township until 8:00 o'clock p.m., Eastern Standard Time, on Monday the 8th day of April, 1968, at which time and place said bids will be publicly opened and read.

Said bonds will be dated September 1, 1967, will be coupon bonds in the denomination of $1,000 each, will be numbered consecutively in the direct order of their maturities from 1 upwards, and will bear interest from their date at a rate or rates not exceeding 5 per cent per annum payable on September 1, 1968, and thereafter semi-annually on each March 1 and September 1. Each bid shall state the annual interest rate or rates upon which it is submitted, expressed in multiples of ¼ of 1 per cent. The interest rate on any one bond shall be at one rate only and represented by one interest coupon for each coupon period, and all bonds maturing in the same year must carry the same interest rate. Accrued interest to date of delivery of such bonds must be paid by the purchaser at the time of delivery. Both principal and interest will be payable at such bank or trust company as shall be designated by the original purchaser of the bonds, subject to the approval of the Township, which paying agent qualifies as such under the statutes of the State of Michigan or of the Federal Government.

The said bonds will mature serially on September 1 in each year as follows: $1,000 in each of the years 1969 thru 1981. The bonds maturing prior to the year 1976 shall not be subject to redemption. The bonds of said issue maturing in the years 1976 thru 1981 shall be subject to redemption, at the option of the Township, in direct numerical order, on any one or more interest payment dates on and after September 1, 1975, at the par value thereof and accrued interest. Notice of redemption shall be given to the holders of bonds called for redemption at least once in a newspaper of publication circulated in the City of Detroit, Michigan, which carries as a part of its regular service, notices of the sale of municipal bonds. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem the same.

The said bonds are to be issued in anticipation of the collection of an equal amount of special assessments against lands in Special Assessment District No. 43, to defray the cost of constructing sewers in said District, in said Township, and in addition will pledge the full faith and credit of the Township for the payment of the principal and interest thereon. The township's taxing power to make such payment is without limitation as to rate or amount.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from May 1, 1968 to their respective maturities and deducting therefrom any permium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Township. No proposal for the purchase of less than all of the bonds or at a price less than their par value will be considered.

A certified or cashier's check in the amount of $280 drawn upon an incorporated bank or trust company and payable to the order of the Township Treasurer must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Dickinson, Wright, McKean & Cudlip, attorneys, Detroit, Michigan, approving the legality of the bonds. The cost of said legal opinion and of the printing of the bonds will be paid by the Township. There will also be furnished the usual closing papers, including a non-litigation certificate, dated as of the date of delivery of the bonds. Bonds will be delivered at Detroit, Michigan, or such other place as may be agreed upon between the Township and the purchaser.

The right is reserved to reject any or all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds."

Deputy Township Clerk

Canterbury Commons

by Joanne Takal 626-1786

Let's hope nobody cringed when they read that line last Saturday during our heavy snow about Spring being just around the corner. Don't give up hope! Most of us spent the day trying to shovel our driveways, or just huddling around the fire.

Because of the heavy snow and bad driving conditions, the Canterbury Spring Dance was postponed until yesterday. This involved many, many phone calls for Arline Bittker, Mary Smith and the committees. All's well that ends well, and we hope it did.

* * *

THE PEOPLE who didn't go to the dance after it was cancelled had a chance to stay home and watch television. If they did, they may have seen the Anniversary Game. Two Canterburyites starred on the show, Dorothy and Harry Roer, of Fernhill Dr., had to guess what the other would do in certain circumstances. They brought home a Columbia exerciser as their prize. Good for them!

I'll bet Mary Keoleian, of Muirland Drive, was watching television. She's just home from the hospital, convalescing after an ear operation. Hope you're feeling better soon, Mary.

* * *

ON THE TRAVEL scene recently was Richard Grant, of Mullane Dr., who went on a business trip to New York. He had hoped to take Judy along, but they couldn't get anyone to stay with the three little ones.

Better luck next time.

Hal and Ginny Beardsley, also of Mullane Dr., went to Milwaukee for a few days vacation. Both being school teachers, they probably needed it this time of year. While there, they visited Ginny's sister, Marian Robinson.

* * *

VELMA ZEEK, of Mullane Dr., had a meeting of her decorations committee this past week to discuss decorations for the Annual Spring Card Party put on by women of North Farmington. This event will be held April 30, and you'll be hearing more about it.

Any women who want to bowl in the Canterbury Commons Women's Bowling League on Tuesday afternoons in Farmington Lanes next fall, contact Doris Knop at 626-8153.

To Discuss Wild Flowers

The Farmington Garden Club will meet at 12 noon April 1 in the Salem United Church of Christ for an awards program.

Betty Frankel will discuss "Consider Our Wild Flowers--Where They Grow"; Betty Brown will describe when wild flowers bloom with colored slides; and Ida Neal will tell about transplanting wild flowers.

The floral arrangement for the meeting will be "The Past Heirlooms" and will feature an old-fashioned design.

Alice Kelly will give a demonstration of pruning and there will be a preview of spring forced bulbs and branches.

Members are invited to bring guests.

Flowers arrangements in the Farmington Library during April will be by Mrs. John Cross.

A Different Version of the Ruffled Curl for Spring

The uncovered forehead gains more popularity for Spring, but light bangs of ruffles are used when required by facial proportions and hairlines. The foundation of the new Spring hair styles is the Ruffle Cut, which must be adapted to the individual's face and head shape. Hair lengths will be comparatively short. A professional permanent wave is required to give hair a soft ruffle and easy care.
