The Easter message, in story and song, will be welcomed throughout area churches - each in its own fashion.

From a community sunrise service scheduled for Farmington on the campus of Oakland Community College to many worship gatherings and festivities, the Day of Resurrection will be filled with activity.

Most churches are scheduling these for more services to make room in the sanctuaries for all worshippers wishing to attend.

CHOIRS HAVE prepared special music for the occasion, many of them planning oratorio and cantata works.

In many churches, youth groups will put on their own special: early morning rites, and family Easter breakfasts are scheduled by a large number of congregations.

One special event sponsored by Nativity Church, 9435 Henry Ruff, Livonia, is an Easter egg hunt for children of the church school following the family breakfast.

The Farmington community sunrise service is being organized by the University Hills Christian Reformed Church, which was organized last fall.

The Rev. J. Harold Ellens said invitations were being issued to all churches in the community, and the hope was to make the service an annual event.

Easter Hymn sing before the regular morning service.

At St. Matthew's Methodist, EUB is drama by the senior youth group was planned for the sunrise service at 6:30 a.m. Breakfast and Easter worship will follow.

Bethany Baptist, Westland Baptist and Easter worship planned to join for Easter sunrise rites as well as Good Friday services.

The Rev. James Bradley, of Wayne Baptist Temple, was scheduled as speaker for the sunrise service, with special music provided by all three churches.

Bethany planned to bring down the curtains of Easter day with a choir rendition of the cantata "Palms of Victory" at 7:30 p.m.

Paul McMillan will bring the message at the sunrise service, and the Rev. Oscar Cloninger, affiliated with the Missionary Internship of Farmington, is set as Easter Evening speaker.

In Memorial Church of Christ, Redford Township, the Easter morning service will be in the charge of the youth minister, James Hulbert. The Rev. Max Copeland, minister, is conducting a one-week evangelistic meeting from April 8 to 14 in Rolla, Mo.

Volunteers Needed To Drive

Everywhere in our community there are men, women and children - some physically or mentally handicapped, others ill or aged - who are in need of medical treatment, therapy, evaluation or rehabilitative training. Many simply do not have a way of getting to these sources of help, because they are too severely disabled or infirm, too young or too old to use public transportation, even when this is available. They have no one who can drive them, and cab fare is beyond their slender budgets.

CHRISTIAN SCIENCE churches in the area set as the day's lesson-sermon topic "Are Sin, Disease and Death Real?"

Unity of West Suburban, in Livonia, planned its traditional Easter Flower service conducted by the youth group of the church, and an Easter service on the theme "Resurrection, Myth or Mystical Truth?"

First Baptist Church of Farmington planned to welcome two guest preachers for the special day.

Evangelists Hold Mission For Easter

The Rev. Donal and Bertha Donohoe will lead a revival at the Elmwood Church of the Nazarene, 6149 North Wayne Road, Westland, from April 11 to 21.

Meetings will be held at 7:30 p.m. each evening, and the public is invited.

United Community Services Motor Aide arranges tips for people who have no other means of transportation to hospitals and treatment centers throughout the Metropolitan Detroit area. Motor Aide drivers are all volunteers, men and women without their own cars and gasoline. In order to give someone else a lift...

The evangelists, commissioned by the Church of the Nazarene, are from Indianapolis and include vocal and instrumental musical numbers with their message.

The satisfaction of relieving this unhappy situation can easily be yours! All you need is the use of a car, a valid driver's license and a few daytime hours to spare. Why not call the Central Volunteer Bureau, 833-9662, Extension 145 and find out more about driving for Motor Aide or similar volunteer services?
