Lions Offer Eye Clinic In Livonia

*Livonia To Bloom
In Spring, Tra La*

The Lamplighter Lions Club of Livonia will sponsor a free "Glaucoma Clinic" from 10 a.m.--2 p.m. today, April 20, in the center of the Livonia Mall.

In a screened area, eye experts from Wayne County will administer tests to determine whether or not subjects have signs of or have glaucoma. Tests will take approximately two minutes per person and results will be mailed to each individual who registers.

In charge of the program for the Lions Club is Dr. Lawrence F. Goodwin, cooperating in sponsorship is the Livonia Mall Merchants Association.

Statistics show that some 1,200,000 Americans suffer from glaucoma. All cases of blindness due to the disease, reports continue, could be prevented by this simple early-detection procedure.

Livonia Health Guild members will assist the doctors.

Paul Hower is president of the Lamplighter Lions Club.
