Herman and Donna are thrilled that their son, Ronald, who graduated a year ago from Wayne State Law School, has now opened his own law firm in Detroit. We certainly congratulate him.

They are also enjoying greatly being grandparents. Their daughter, Donna, who now lives in Southfield, presented them with a grandson.

We had a particularly delightful Easter because our Dottie, with husband, Grant Gascoigne, flew in from Seattle, Wash., early Thursday morning, arriving here about 10 p.m., their plane an hour and a half late.

It was with great regret that we had to put them on a return flight Tuesday morning.

Bill Weidman was rushed to Ford Hospital at 8 a.m. Sunday suffering from severe chest pains. I am more than happy to report that he is not in intensive care, but in a cardiac ward. We hope to see him home before long and with the knowledge that he cannot work quite so hard.

Tuesday, April 30, is the date for the annual card party to be held in Our Lady of Sorrows. As you know, it is being sponsored by the Women of North Farmington. Progress report from the ticket committee indicates you can still get your tickets, but hurry.

Call Gale Girolami, 478-0066 or Rachel Marberg, 474-7990. Prizes galore—each table will have a prize and there are at least 100 door prizes, and those fancy sandwiches and dessert. Give a call today.

THERE WAS A COFFEEHOUR in the home of Mrs. Joan McCallum, and guest of honor was Joan Sweet. The reason for the get-together was to say "so long" to Joan.

The Steve Sweet family moved from Green Willow and will make their home in Petoskey—that great ski country play area round recreation spot.

Jean Flood, Thory Bragg, had surgery just recently at St. Mary Hospital and is home recuperating. Drop a card to cheer her.

There is a newcomer in the home of Mr. and Mrs. J. Gallagher, of Kendallwood Dr. Child number four is Michael Joseph, who tipped the scale at seven pounds—plus and was born on Friday, April 12. Other members of the family are Vickie, Robbie and Matt. Congratulations.

SOME OF THE FOLKS out our way had themselves a vacation just recently and all went south to the sunshine state of Florida. The John Manekes's of Quail Hollow, stayed at Lauderdale by the Sea. Then the Dave Thurstons, of Papermill, were away for two weeks and stayed a while at Orlando. Incidentally, the Thurstons and the Chuck Owen family of Green Willow, met while both families were staying at one of the motels. These folks only live within two blocks of each other but got acquainted down in Florida. How about that for a coincidence!

The Harold Daumle family, of Kirkside Lane, spent a week in Columbus, O.

We had some birthdays just of late. Laura Hildebrand is five now, and it was a family celebration at the home of her parents on New Castle. Scott MacLennan is thirteen and it too was a family get-together and both sets of grandparents were on hand for the ice cream and cake.
