SURPRISE FOR TEACHER — Mayfair Cooperative Nursery, Farmington, turned its annual potluck dinner into a surprise party for Mrs. Robert O. Fagen, who has taught at the nursery for 12 years. On hand were many of the children who had been in her classes in former years. Glenn Cantor, now in high school, was the oldest one present who remembers "Miss Jane" as his nursery school teacher, and Fairview school kindergartener Christine: Millgard was one of the children from last year's

Who's the girl....

· who knows how to wear clothes and make-up properly • who has perfect manners, poise and posture • who always looks and acts her most attractive • who has lots of friends, fun and beaus . . .

She's a graduate from Federal's

for the dinner by supplying all sorts of decorations in their sessions in Orchard Methodist Church. Placemats and centerpieces constructed by nursery schoolers were on the Itables, and paintings were displayed on the walls. Here Pam Ratingeb, a current pupil, shows her, painting to Vicky Bonatz, who went to nursery school three years ago.

Help Available For Cancer Patients

According to national statistics, there will be more than 900,000 Americans under medical treatment for cancer this year. In any community of more than 10,000 population this means there will be anywhere from 40 to more than 2,000 persons in need of some kind technologies, others need hospital beds, wheelchairs, commodes or aspirators — all sorts of sickroom furnishings to make the first of the communication of the patient and easter for the one carrier for him.
