Beautiful, Durable Exterior Paints

Self Priming Latex House Paint

Creamy smooth: this acrylic latex glides onto any exterior surface and dries to a durable sheen in only one-half hour. Resists blistering, peeling and discoloration. One coat covers similar colors and there's no need for priming on sound painted surfaces. Soap and water cleanup.

Heavy Duty Porch and Floor Enamel

Dress up and protect any walking surface... floors, porches, steps and decks. Easy application with brush or roller. Dries to a hard, glossy surface that wears and weathers. Weather resistant finish is a snap to keep clean. Lead-free formula makes it safe to use on surfaces accessible to children.

GUARANTEED Interior Paints

One Coat, Latex Interior Flat

Painting walls and ceilings was never easier with one-over application. Brush and roller drag almost disappear! Silky smooth finish dries in just 1/2 hour. Smooth dripless formula makes for pleasant painting. Tools and brushes clean easily with just soap and water.

Enamel Tough Interior Semi-Gloss

Lasting protection and beauty are now yours in one, easy to use latex paint. The satin gloss finish covers most woodwork, trim, bath and kitchen walls with just one coat. Dirt and smudges wipe clean in a jiffy. You paint easier because the latex formula is smooth flowing and fast drying. Easy soap and water cleanup.
