Chinese Letters

Chinese characters were in-troduced into Japan 1,500 years ago and since have been used as Japanese letters. About 3,00 to 5,000 characters were used in literary works before World War II; afterward the numbers were cut to about 880, which are taught in the first nine years of school.

THE LEAGUE season ended or Thurston on a losing note, Not only were the Townshippers beaten, 5-4, by Groves, but after

a fast start Thurston wound up last with a 3-7 record.

Handbag Hazard

oversturi your handbag, empty it frequently and sort your col-lection. Repeated oversturing will charge the shape of the bag, weaken the fastenings and may break the seams. When the outside needs cleaning, follow the recommended methods,
