Needles and pins and thread all stay together where you can find them if you make a miniature pin cushion out of a spool of thread. Just stick a cotton cosmetic ball in the hole in one end of the spool, and keep pins and a needle there.

For rainy days indoors, make a sheet playhouse for the children. Simply drape an old cotton sheet over a card table. First you can cut out windows and a door, and let children decorate the walls of the fabric house with crayons or water colors.

### Hebrew School PTO To Meet

The last general meeting of the school year has been planned by the PTO of the Livonia Branch, United Hebrew Schools, for Sunday, May 26, at 10 a.m.

Children from each of the school's classrooms will perform for their parents.

Wearing cotton may be one way to keep well! Medical researchers have discovered that viruses do not live as long on cotton as they do on other fabrics. While a virus may live for three months on some fabrics, it will only last about three days on cotton. If the cotton fabric is treated with a wash and wear chemical, the virus only lives one day.
