MISTER HIGH SCHOOL GRADUATE
 The Detroit Branch of NCR will be sharp and neat appearing young men who have a high aptitude in the
Electronics
 and/or mechanical field.
 These selected high school graduates will enter an extensive training program to prepare them for the professional career of an NCR Technical Service Representative. Their training (with pay) will include approximately one year of classroom instruction at modern NCR educational facilities completely equipped with modern business systems. State labor permits will be obtained for 17 year olds.
 Their training and subsequent professional duties in Metropolitan Detroit will engage them in exciting and interesting areas of servicing NCR business systems—this INCLUDES A COMPLETE LINE OF ELECTRONIC DATA PROCESSING EQUIPMENT.
 They will immediately participate in NCR's complete fringe benefit program which includes a college tuition refund plan—all fringe benefits are 100% company paid.
 If drafted into the military service either during or after their training, they will be guaranteed a full year of pay charge. Time in Service will count toward their NCR career.
 Their weekly pay after training will be \$145.20 and on completion of a five figure income. This compensation will increase commensurate with the Cost of Living Index.
 These selected young men will be embarking on a technical professional career of a permanent nature with a company that has been founded in 1884 and is constantly growing—especially in the field of electronic data processing.
 They will represent the cream of the crop of applicants for this training position. Their lives will be based upon aptitude as opposed to practical experience.
 Interested young men will be interviewed and tested between 8 A.M. and 1 P.M. Monday through Friday. Also, between 8 A.M. and 10 A.M. on Saturdays. THESE INTERVIEWS MAY TAKE PLACE PRIOR TO, OR SUBSEQUENT TO GRADUATION. Apply in person wearing coat and tie. You need not phone for an appointment.
