

At Home In Old Homestead

By IRENE BARTH

The Carl Galtser family attended commencement exercises at Adrian College on June 4 at which their son, Carl, received his B.A. degree in classical science. Carl will be at home until June 24 when he will leave for Escondido, Calif., to begin his training for a two-year stint in the Peace Corps.

After a week of briefing and processing he will commence a three-month training session at a training center in the Mariana Islands to which he has been assigned. The islands, numbering 21,000, are composed of the Marshall, Gilbert and Caroline Islands. Carl's main task will be teaching English to a grade school children. Good luck to Carl in his most worthwhile venture.

WEEK-END GUESTS at the Al Bost residence were daughter, Judy, and husband, John Shire, of New Rochelle, N.Y., and daughter, Marilyn, who is attending Central Michigan University, at Mt. Pleasant. Besides visiting with Mom and Dad, the whole family attended the wedding of the daughter of long-time friends.

The Bosts also recently announced the engagement of their lovely daughter, Marilyn, to Terry Nielson, son of Mrs. Stanley Nielson, of Farmington, and the late Mr. Nielson. An August wedding date has been set.

MEMBERS of the Square Dance Club are reminded that the annual party will be held, rain or shine, at 8 p.m. on June 15 in Barth's Barn. Please call me if you cannot attend.

Sunday, June 9 was Confirmation Day at the Prince of Peace Lutheran Church and two of our young men were among those confirmed, Bob Howe, the son of Don and Betty Howe, and Dick Brown, son of Doug and Shirley Brown, reached this high-point in their lives.

The Howes entertained in Bob's honor at a family gathering on Sunday afternoon, with some 25 guests present for the occasion.

Someone who attended the pot-luck supper at Primrose's left two place settings of china (white with a flower design). Will the real owner please stand up!

The disappearance of the Taylor family's pet Mallard duck has caused some anxiety at their home on Paddletford Road. Any information as to its whereabouts or condition would be much appreciated.

APPROXIMATELY 45 gals in gay, summery togs, enjoyed a balmy, sunny gathering around the Antezak's lovely pool at the annual coffee. Although no one was brave enough to test the water temperature it was pleasant to just relax, sip coffee and thinking about the days ahead when the pool will see much use.

A most welcome respite from

Club Holds Installation Luncheon

The every-day routine was recently enjoyed by Leona and Tom Moore who spent six days in the Miami Beach, Fort Lauderdale, Florida area. While in Miami they stayed at the Dorai in the penthouse apartment with a view of the Biscayne Bay as well as the ocean. They danced to the music of Ray Anthony at The Carillon and enjoyed particularly the stone crab and other sea-foods. Jo and Harold Lundquist and sons, Len, vacationed in the Bahamas recently. From Free Port, they island hopped enjoying sailing, beachcombing and deep-sea fishing at Treasure Cay. A current visitor at the Lundquists is their son, Dennis, of California. The two sons drove to Indianapolis for the big Memorial Day Race and were joined there by their Dad who flew down to meet them. Though his flight was delayed by fog they arrived at the scene of the race just as the flagman gave the signal for the exciting event to start.

Harold, who is our association president, reports that new entrance signs will soon be erected in the suburb.

The Women of North Farmington held an installation luncheon May 28 in the Holiday Inn of Southfield.

New officers for 1968-69 are Mary Ylondale, president; Nancy Dhub, first vice president; Mary Jane Curme, second vice president; Irene Succop, recording secretary; Heidi Erickson, corresponding secretary; and Kay Werny, treasurer.

Guest speaker was Dale Smith executive director of New Horizons of Oakland County, Inc. He was presented with a check for \$857, the proceeds from the club's April card party. Marjorie Tranton, past president, made the presentation.
