Low Cost Installation Available

- Silences engine noise and lowers back pressure
- Extra-heavy-gauge steel inner and outer shells for extra wear on all oval mufflers
- Extra large inner tubes insure quieter running, help eliminate cold chambers and excessive condensation — the major cause of rust-out

Engineered for quiet operation without loss of power, Sears Heavy-Duty Mufflers are designed to last longer, perform better than most replacement mufflers. Steel end caps are up to 1/2 thicker, and crimped over two layers of steel to prevent blowouts.
