Scotland Yard Nabs Alleged King Slayer

WASHINGTON — Scotland Yard has arrested James Earl Ray, accused of murdering civil rights leader Martin Luther King Jr., in London after a painstaking international manhunt. Officers said Ray possessed a loaded pistol and a Canadian passport fraudulently obtained in the name of a Toronto policeman. Ray was seized at London's Heathrow Airport shortly after

was burned by arsonists March 5, forcing him into bankruptcy. The money was not enough to pay his creditors and reopen his store, said Weaver, a Negro who defied local black militants. So he has been giving the money away to people in impoverished neighborhoods. He has distributed more than \$5,000 to pay utility bills and buy food and clothing for the needy.

National News Round Up

he arrived on a flight from Lisbon, Portugal, in a culmination of an operation that involved top detectives of the U.S. Federal Bureau of Investigation, the Royal Canadian Mounted Police, and Scotland Yard. Ray, a 40-year-old former Missouri convict indicted for murder in the shooting of King in Memphis on April 4, was jailed in London's Cannon Street police station near the houses of Parliament where he was charged with possessing a forged passport and carrying a deadly weapon without permit.

PATCOQUE, N.Y. — More than \$300,000 worth of dimes has been recovered by FBI agents and Suffolk County police, the FBI reported. The dimes were part of \$500,000 shipment hijacked from a Railway Express Agency Truck.

EAST ST. LOUIS, Ill. — An 18-year-old boy was charged with murder after he allegedly opened fire into a crowd of teen-agers at a dance hall, killing a 17-year-old girl and wounding a youth. The gunman was identified as Barney F. Crisp of East St. Louis.

LAKELAND, Fla. — A Lakeland man went berserk and shot and killed his mother, an older brother and a seven-year-old girl before losing his life to one of his own bullets, police reported.

The gunman was identified as Lee Walden, 54, an employee of a firm that makes grave-stones.

BURLINGTON, Iowa — Five men were killed when a warehouse, where land mines were stored, exploded at the Iowa Army Ammunition Depot. The blast was the third in less than a year at the Iowa depot.

COLUMBUS, O. — Prompted by the assassination of Sen. Robert F. Kennedy, the J-Mart Family Discount Centers in Columbus have dropped their gun business entirely.

MONTREAT, N.C. — The general assembly of the Presbyterian Church in the United States has voted 272-118 not to withdraw the million-member denomination from the National Council of Churches.

HANFORD, Cal. — Leo Watson told his insurance company that he wanted a radio exactly like the one that was stolen from his airplane. And that is what he got. Watson examined the replacement and it was his stolen radio. It was one of about 175 radios stolen and resold by a gang of thieves.

CINCINNATI — Robert Weaver has received \$9,000 in donations to help him back into business after his clothing store was burned by arsonists March 5, forcing him into bankruptcy. The money was not enough to pay his creditors and reopen his store, said Weaver, a Negro who defied local black militants. So he has been giving the money away to people in impoverished neighborhoods. He has distributed more than \$5,000 to pay utility bills and buy food and clothing for the needy.

THE RESULT HAS BEEN TO dry up liquor sources for almost everyone except foreign-born. This means a new way of life for many Cubans on this island where the daiquiri was invented.

One immediate side effect has been a rise in sales of medicinal alcohol at some pharmacies. Alcohol has been longer lines at restaurants and movies and big weekend crowds at the beaches.

SHILL open is the late author Ernest Hemingway's favorite haunt, the Florida. It is a restaurant bar.

To relieve some of the boredom in Havana, there are public dances and in Central Park small combos entertain nightly.
