Tuesday, June 18, is packing day at the Heron Holmes' home on Deschutes and the next day will find them leaving for their new home in Glen Ellyn, Ill. Not too far away from them will be the Noltes and the Annans, former Briar Hill residents.

The new owners of the Holmes' home will be moving in on the 20th because they have had to live in a motel for over a month and are quite anxious.

Dorothy and Bob Roe, with their charming children will be saying goodbye to Briar Hill on June 25 as they leave for their new address in Chagrin Falls, Ohio, near Cleveland. Before leaving, however, they will have the pleasure of seeing Bobby receive his Eagle award in scouting at Wooddale School Monday, June 17.

Several weeks ago found the Phair family of Briar Hill going East to see their son Bob graduate from M.I.T. He will be working in the east for the summer, taking time off to get married and then coming to Northwestern University in the fall for his graduate work.

BOB MacLEOD, with his son Larry catching, pitched the Men's Softball Team to a victory last Monday evening at the City Park. Their record is one loss, one win and two rain-outs.

Those being wished a happy birthday this week include Glen Reimer on the 9th, Chip O'Neill on the 12th, Mark Ziemba, the 14th and John MacLeod the 15th.

It was a perfect summer evening for a party and that is what Bev and Tom Petchell planned for last Saturday evening. Soft music, an attractive lighting effect on the patio and friends to enjoy it.

BETWEEN MY DAUGHTER, Gail, and Betty Robinson, I have learned that Kathy Dunn and the children will be arriving in the United States this week from Brazil.

They will visit relatives in Indiana and Kentucky and then return to Detroit in July when Al will join them. The Duns were former owners of the Petronio home on Briar Hill.

Between my son and me, we managed to leave one name off the graduating senior list from North Farmington and he's one of John's best friends. My embarrassed apologies to Sheldon A. Watson Jr. of Ravenscroft.

The swim clubs in the area were open for the weekend. Many of our Canterburyites were seen seeking relief from the heat at Woodstock Hills.

Although there were a great many children swimming and a great many adults basking in the sun, the adult swimmers every hour gave the children a recess, and the adults a chance to exercise and refresh themselves in the cool water.

Some brave people even took advantage of a thrilling ride on the slide. From all reports most seem to enjoy the sun, the water, and the congeniality.

THE HENRY LESSERS, of Murland Drive, are busy entertaining their former neighbors, the A.E. Bowens and their four children. The Bowens flew in from Woodland Hills, Calif. on Thursday evening.

Velma and Richard Zeek, of Murland Drive, had seven couples in for dinner recently. This is a once-a-year occasion when these couples, all employees of G.M. Tech Center, meet to have dinner and fun. A Mexican dinner was served, and later on a rousing game of croquet was enjoyed.

The Girl Scouts of Troop 289, with leaders Margaret Byrne and Jane Connor, enjoyed a weekend at Camp Narrin recently.

RETURNING from a trip to California last week were Mary Ellen and Kevin Kelly, of Fernhill Drive, and their children. Gene, 2, Erin, 4, Brian, 7, and Colleen, 8, all enjoyed the flight and according to reliable sources, were the best behaved children on the plane.

A group of ladies met for bridge last week at the home of Marge Jellison, of Murland Drive. Playing fabulous hands and enjoying the fan on a hot evening were Isabelle Arakelian, Pat McCarthy, Marge Patek, Phyllis Kleinke, Genevieve Applebaum, Charlotte Lesser and Joanne Takai.
