Plymouth's Wendell Smith Heads U.S. Jaycees

a marathon 19-hour nominating session and 22 ballots to be-come the 49th president of the U.S. Jaycees Friday, at the national convention in Phoenix, Arteons.

U.S. Jaycees Fricay, at un-national convention in Phoenix, Ariscona.

He battled six other candi-dates for the club's top job over the 19 hours—but to his supporters there never was any doubt.

Smith and his family, and large contingent of the area's Jaycees arrived Sunday night at Metropolitan Airport, where

Jaycess arrived Sunday night at Metropolina Airport, where they were met by over 300 other Jaycess.

They were placed in a 58-car caravan and escorted by police, to a party at Roma Hall where over 500 more were gathered to celebrate Smith's victory.

Smith's campaign toam helped him survive the longest,
toughest avaces national section over held, running from
2 p.m. Thursday until just before 10 a.m. Friday.
Smith led for the first 10
ballots, then lost deligate
ground to two other deligate
favorites, Jamas W. Grant of
Alabama, and Robert A. Glines
of California.

SMITH THEN MADE his

igan Week.

Smith also helped organize
a Michigan Christmas in Vietnam, with thousands of dollars
in drugs, food and clothing being
sent to the children of Vietnam.

HE HAD BEEN equally active as a National Director, working in the area of mental health.

While or

tal health.

While all these projects were important, the one that was near and dear to him was the founding of the Sheltered Workshop, which he saw through to

completton.

Smith will be national president for the next year—a full time job.

He and his wife Margarest and their three children will leave in two weeks for national Jaycee headquarters in Tulisa, Okla. He will take a leave of absence from his position as zone manager for Kroger.

Handy Transplant

When transplanting plants to a cold frame, place an eggwa coun frame, place an egg-case filler, or as many fillers as needed, in the cold frame and fill with dirt.

Set one plant into each egg section.

section.

Then when ready to transplant to the garden the egg case filter can be litted out, and each plant has a nice square of earth about the roots.

This enables the plant to be transplanted without checking the growth.
