Donate Radios

Residents of the Detroit area are being asked to help WXYZ collect transistor radios for shipment to our servicemen in Vietnam according to Charles D. Fritz, Vice President and General Manager of the station. The campaign designated "Project: Radio Air Lift" will continue through July 4. In announcements broadcast every hour, residents are being asked to mail or deliver new, used, or repairable transistor radios to Broadcast House. The radios will then be turned over to the Armed Forces for delivery to our men in Vietnam. In addition to the on-the-air announcements, more than 200 clubs and organizations are being sent letters requesting assistance. The campaign is designed to answer a need voiced by the Armed Forces, U.S. servicemen in South East Asia listen to six newly installed high power radio stations of the Armed Forces Network. These stations, scattered throughout South Vietnam, offer popular music, entertainment, and news similar to the radio stations at home. Any organization which would like to participate is urged to contact Charles W. Mann, Director "Project: Radio Air Lift," for information. Radios should be mailed to WXYZ Radio, Detroit, Michigan -- 48219. Broadcast House is located on 10 Mile Road, just west of the Lodge Expressway. Participating with WXYZ in "Project: Radio Air Lift" is the Mallory Company. All radios collected will be equipped with their batteries before they are shipped.

Twiggy On A Mail Order Catalog?

She's waifish and shy and kinda skinny—nothing you'd expect to see on the front cover of a mail order catalog—but there she is. Twiggy models two junior outfits for Gamble Adams new fall 984-page catalog and the front cover really swings.

This lean teen-age London model tips the scales at 6½ stone, about 89 pounds in Yankee weight. She's a fresh, wonderful new idol to just about every teen-age girl in America.
